

B-TM SIGHT PACKAGE FOR RUGER™ 10/22™ - SAMSON MANUFACTURING CORP B-TM SIGHT PACKAGE FOR RUGER 10/22 BLACK

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

If you have a Samson B-TM stock for your Ruger® 10/22® rifle and prefer a higher sight picture for a more comfortable cheek weld, these Samson B-TM Sights are a must-have. Compared to the 0.7" height over bore measurement from a 10/22® rifle with factory iron sights, our elevated sights have a height over bore of 1.25" that allow for a more comfortable and natural cheek weld. Mounting to the factory tapped holes in the receiver, the rear aperture sight is fully adjustable for windage and features protective shoulders. It is machined with a Picatinny rail section that also allows shooters to mount an optic that will co-witness with the iron sights. The winged front sight is fully adjustable for elevation, mounting to the factory dovetail (dovetail barrel required for installation, will not fit models without factory iron sights). Includes: Rear Sight, Front Sight, Sight Adjustment Tool, Mounting Hardware, 5/64" Hex Wrench

BTM Sight Package for Ruger™ 10/22™ Safety Instructions

Introduction

Thank you for choosing the BTM Sight Package for your Ruger™ 10/22™ rifle. This guide provides essential safety instructions and usage information to ensure a safe and enjoyable experience with your new sight package.

General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the area around you is clear of people and obstacles before using the firearm.
- Wear appropriate eye and ear protection when using the firearm.
- Store the sight package and firearm securely and out of reach of children.
- Regularly inspect the sight and firearm for any signs of damage or wear.
- Do not modify the sight package or firearm in any way that could compromise safety.

Specific Safety Precautions for Use

- Ensure that the BTM Sight Package is installed correctly according to the instructions below.
- Only use the sight with a Ruger™ 10/22™ rifle equipped with a factory dovetail barrel.
- Do not attempt to use the sight package on models that do not have factory iron sights.
- Adjust the sights only when the firearm is pointed in a safe direction and is unloaded.
- Be aware of your target and what lies beyond it when using the firearm.
- If you experience any issues with the sight, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools and Materials:** Ensure you have the following items ready:

- Rear Sight
- Front Sight
- Sight Adjustment Tool
- Mounting Hardware
- 5/64" Hex Wrench

2. **Prepare the Firearm:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights if applicable.

3. **Install the Rear Sight:**

- Locate the factory tapped holes on the receiver of the Ruger™ 10/22™.
- Align the rear sight with the tapped holes and secure it using the provided mounting hardware.
- Use the sight adjustment tool to adjust for windage if necessary.

4. **Install the Front Sight:**

- Locate the factory dovetail on the barrel.

- Position the front sight in the dovetail and secure it in place.
- Adjust the front sight for elevation as needed.

5. Final Checks:

- Ensure all screws and mounts are tightened securely.
- Verify that the sights are aligned correctly for use.

Usage Instructions

- Once installed, familiarize yourself with the adjustments for both the rear and front sights.
- Practice adjusting the sights while the firearm is unloaded to understand how they function.
- When ready to use, load the firearm according to manufacturer instructions and ensure you are in a safe shooting environment.
- Always perform a function check of the sights before heading to the range.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the sight package is no longer in use, consider recycling components where possible.
- Do not dispose of the sight package in general waste if it is damaged or defective; follow local hazardous waste disposal guidelines.

Contact Information for Further Support

- For additional support or inquiries regarding the BTM Sight Package for Ruger™ 10/22™, please refer to the manufacturer's website or contact your local retailer.

Thank you for following these safety instructions. Enjoy your shooting experience with the BTM Sight Package!
