# BTM Barrel Band for Ruger™ 10/22™ Safety Instruction Guide

## Introduction

Thank you for choosing the BTM Barrel Band for your Ruger™ 10/22™ rifle. This product is designed to enhance your shooting experience by allowing the attachment of a QD sling swivel. It is important to follow the safety instructions provided in this guide to ensure safe and effective use of the product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the rifle is unloaded before installing or modifying the barrel band.
- Use only compatible accessories with the BTM Barrel Band.
- Regularly inspect the barrel band for signs of wear or damage before each use.
- Store the barrel band and all firearm accessories out of reach of children.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the barrel band is securely attached to prevent it from coming loose during use.
- Do not exceed the manufacturer's recommended weight limit for attachments on the barrel band.
- Always follow the manufacturer's instructions for installation and usage.
- Avoid using the barrel band in extreme weather conditions that may affect its performance.
- Be aware of your surroundings and ensure a safe shooting environment before using your rifle.

## Instructions for Installation and Usage

### 1. Installation of the Barrel Band:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Remove the factory barrel band from the Ruger™ 10/22™ rifle.
- Align the BTM Barrel Band with the barrel of the rifle.
- Securely attach the barrel band, ensuring that it is tightly fitted.
- If desired, flip the barrel band to position the QD sling swivel mount on either the left or right side.

### 2. Usage of the Barrel Band:

- Once installed, check the stability of the barrel band before attaching any accessories.
- Attach the QD sling swivel to the barrel band as per the manufacturer's instructions.
- Ensure that all attachments are secure and do not interfere with the operation of the firearm.
- Regularly check the barrel band and attachments during use for any signs of wear or loosening.

## Disposal Instructions

- Dispose of the BTM Barrel Band in accordance with local regulations.
- If the product is damaged or no longer in use, ensure that it is disposed of in a manner that prevents accidental use.

## **Contact Information for Further Support**

For additional support or inquiries regarding the BTM Barrel Band for Ruger™ 10/22™, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can enjoy the benefits of your BTM Barrel Band while ensuring a safe shooting experience. Thank you for your attention to safety.
