# Safety Instruction Guide for Swampfox Freedom Rings

## Introduction

Thank you for choosing Swampfox Freedom Rings. These 30mm high aluminum Picatinny rings are designed to securely mount your scope to your AR15. To ensure safe and effective use of this product, please read this safety instruction guide carefully. It contains important safety information, installation instructions, and disposal guidelines.

## General Safety Guidelines

- Always inspect the product for any visible damage or defects before use.
- Ensure that the product is suitable for your specific firearm and scope combination.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the rings are securely tightened to prevent slipping or shifting during use.
- Do not exceed the manufacturer's recommended torque specifications when installing the rings.
- Avoid using the product in extreme temperatures or harsh environmental conditions that may affect its integrity.
- Regularly check the tightness of the rings, especially after heavy use or transport.
- If you notice any wear or damage to the rings, discontinue use immediately and replace them.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that your firearm is unloaded and pointed in a safe direction during installation.

### 2. Installation

- Align the rings with the Picatinny rail on your firearm.
- Place the scope in the rings and adjust it to your desired position.
- Secure the rings by tightening the screws evenly to avoid misalignment. Refer to the manufacturer's torque specifications for proper tightening.

### 3. Usage

- After installation, perform a function check to ensure that the scope is securely mounted and aligned.
- Always handle your firearm safely and responsibly while using the mounted scope.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal recycling.
- If the product is damaged or no longer usable, ensure it is disposed of in a manner that prevents harm to the environment.
