Safety Instruction Guide for FREEDOM RINGS SWAMPFOX OPTICS 34MM HIGH 1.6" ALUMINUM PICATINNY RINGS

Introduction

Thank you for choosing the Swampfox Freedom Rings. This guide provides essential safety instructions to ensure the safe and effective use of your scope rings. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always check for any visible damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the scope rings are securely attached to the rifle before use to prevent any accidents.
- Avoid overtightening the rings, as this may damage the scope or the rifle.
- Regularly inspect the scope rings for wear and tear, especially after extensive use.
- Do not expose the product to extreme temperatures or harsh chemicals, as this can compromise its integrity.
- If you experience any issues during installation or usage, stop immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools (e.g., screwdriver, torque wrench).
- Ensure your rifle is unloaded and pointed in a safe direction.

2. Installation Steps:

- Remove any existing scope rings from the rifle.
- Align the Swampfox Freedom Rings with the mounting points on the rifle's Picatinny rail.
- Place the scope in the rings and adjust it to your preferred position.
- Securely tighten the screws on the rings, ensuring they are evenly tightened to avoid misalignment.
- Use a torque wrench to apply the recommended torque settings as per the manufacturer's specifications.

3. Usage:

- After installation, check the alignment and stability of the scope.
- Make adjustments to the scope as necessary for optimal performance.
- Regularly check the security of the rings during use, especially after firing.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the aluminum material where possible.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your Swampfox Freedom Rings responsibly!
