

HELLFIRE MATCH MUZZLE BRAKE - AREA 419 30 CALIBER (30-7MM) HELLFIRE MATCH BRAKE, BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Softer, Flatter, No Extra Blast. With the original, and best-selling Hellfire release in 2016 we packed everything we knew about making a good muzzle brake into one design. Now, years later, we went back to the drawing board with a deeper understanding of what a brake can and should do, and how it can make a rifle as manageable as possible as the bullet exits. Introducing the Hellfire Match. This 4-port design isn't simply stacking more of the same design on the end, it's a complete redesign with each port being different. Different length ports, different angle ports, and different height port optimizes each one to provide an ideal function based on the pressure and volume of gas being acted on at its position. This results in optimal recoil management, optimal muzzle rise control, and imparts no extra sound pressure at the shooter position. Using our patented Hellfire Self-Timing system, this brake uses the same Hellfire Universal Adapters that have been in our lineup for years, and can integrate with your Suppressor Mounts, Hellfire, Hellfire 2P and Linear Flash Suppressor. While this will be the new flagship brake, it is very much a part of our super popular Hellfire family.

Attributes

- Name: [AREA 419 30 CALIBER \(30-7MM\) HELLFIRE MATCH BRAKE, BLACK](#)
- Manufacturer: [AREA 419](#)
- Product no.: 100047597
- Mfr. No.: 419HFMAT-30-582
- Caliber: 284/7 mm (.284), 30 Caliber (.308)
- Finish: Black Nitride
- Material: Stainless Steel
- Threads: 5/8-24
- Delivery weight: 0.227kg
- Shipping height: 44mm
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 810080180697

HELLFIRE MATCH MUZZLE BRAKE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the HELLFIRE MATCH MUZZLE BRAKE, designed for enhanced shooting performance and recoil management. This safety instruction guide is intended to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that all firearms and accessories are used in accordance with local laws and regulations.
- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store the muzzle brake and all firearms securely when not in use.
- Regularly inspect the muzzle brake for any signs of wear or damage.
- Use appropriate protective gear, including eye and ear protection, when using firearms equipped with the muzzle brake.
- Be aware of your surroundings and ensure that there is a safe backdrop when firing.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's specified caliber ratings for the muzzle brake.
- Ensure that the muzzle brake is properly installed and tightened before use to prevent accidents.
- Avoid using the muzzle brake with ammunition that exceeds the recommended specifications.
- Do not modify the muzzle brake or use it in a manner not intended by the manufacturer.
- Keep the muzzle brake and associated equipment out of reach of children and unauthorized users.
- In the event of a malfunction or unusual noise during use, cease firing immediately and inspect the firearm and muzzle brake.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing muzzle device from the firearm.
- Clean the muzzle threads to remove any debris or fouling.
- Align the HELLFIRE MATCH MUZZLE BRAKE with the threads on the muzzle.
- Handtighten the brake onto the muzzle until snug.
- Use a wrench to securely tighten the brake, ensuring it is fitted correctly without overtightening.

2. Usage:

- Before firing, doublecheck that the muzzle brake is securely attached.
- Use the firearm in a safe and controlled environment, adhering to all safety guidelines.
- Monitor the firearm's performance and the muzzle brake for any signs of malfunction.

3. PostUsage Care:

- After use, clean the muzzle brake according to the manufacturer's guidelines.
- Inspect the brake for any signs of wear or damage before the next use.

Disposal Instructions

- Dispose of the HELLFIRE MATCH MUZZLE BRAKE in accordance with local regulations regarding metal waste.
- Do not dispose of the muzzle brake in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety concerns or product information, please refer to the manufacturer's website or customer service resources. It is essential to have access to support for any issues or questions that may arise during the use of the HELLFIRE MATCH MUZZLE BRAKE.

Thank you for prioritizing safety in your shooting activities. Enjoy the enhanced performance of your HELLFIRE MATCH MUZZLE BRAKE while adhering to these guidelines.
