

HELLFIRE MATCH MUZZLE BRAKE - AREA 419 6MM (22-6MM)

HELLFIRE MATCH BRAKE, STAINLESS

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Softer, Flatter, No Extra Blast. With the original, and best-selling Hellfire release in 2016 we packed everything we knew about making a good muzzle brake into one design. Now, years later, we went back to the drawing board with a deeper understanding of what a brake can and should do, and how it can make a rifle as manageable as possible as the bullet exits. Introducing the Hellfire Match. This 4-port design isn't simply stacking more of the same design on the end, it's a complete redesign with each port being different. Different length ports, different angle ports, and different height port optimizes each one to provide an ideal function based on the pressure and volume of gas being acted on at its position. This results in optimal recoil management, optimal muzzle rise control, and imparts no extra sound pressure at the shooter position. Using our patented Hellfire Self-Timing system, this brake uses the same Hellfire Universal Adapters that have been in our lineup for years, and can integrate with your Suppressor Mounts, Hellfire, Hellfire 2P and Linear Flash Suppressor. While this will be the new flagship brake, it is very much a part of our super popular Hellfire family.

Attributes

- Name: [AREA 419 6MM \(22-6MM\) HELLFIRE MATCH BRAKE, STAINLESS](#)
- Manufacturer: [AREA 419](#)
- Product no.: 100047598
- Mfr. No.: 419HFMAT-SS-6-5
- Caliber: 243/6 mm (.243)
- Finish: Stainless
- Material: Stainless Steel
- Threads: 5/8-24
- Delivery weight: 0.227kg
- Shipping height: 51mm
- Shipping width: 76mm
- Shipping length: 152mm
- UPC: 810080180598

Safety Instruction Guide for HELLFIRE MATCH MUZZLE BRAKE

Introduction

Thank you for choosing the HELLFIRE MATCH MUZZLE BRAKE. This guide provides essential safety information and instructions for the safe use and maintenance of your muzzle brake. Please read this guide carefully to ensure safe operation and compliance with EU safety regulations.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the HELLFIRE MATCH MUZZLE BRAKE by following all instructions and safety precautions outlined in this guide.
- **Enhanced Recalls:** Be aware that in the event of a safety issue, recall notices will be provided, and remedies will be available at no cost.
- **Online Shopping:** If purchased online, ensure the platform meets all safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the provided contact information from your retailer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Always wear appropriate eye and hearing protection** when using the muzzle brake.
- **Ensure your firearm is in good working condition** before attaching the muzzle brake.
- **Do not exceed the recommended caliber specifications** (243/6 mm (.243)) for this muzzle brake.
- **Avoid using the muzzle brake with damaged threads** or any visible signs of wear.
- **Keep the muzzle brake clean** and free from obstructions to ensure proper gas flow and performance.
- **Do not modify the muzzle brake** in any way, as this can lead to unsafe operation.
- **Store the muzzle brake in a safe, dry place** when not in use to prevent damage or corrosion.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Before installation, make sure the firearm is unloaded and pointed in a safe direction.
2. **Clean the Threads:** Use a brush to clean the threads on the muzzle of your firearm to ensure a secure fit.
3. **Align the Muzzle Brake:** Position the HELLFIRE MATCH MUZZLE BRAKE over the muzzle of your firearm, aligning the threads.
4. **Thread the Muzzle Brake:** Carefully screw the muzzle brake onto the threads of the firearm. Turn clockwise until snug. Do not overtighten, as this may damage the threads.
5. **Check Alignment:** Ensure the muzzle brake is aligned correctly and securely attached before use.

Usage Instructions

- **Test Fire:** Conduct a test fire in a controlled environment to ensure proper function and performance.
- **Monitor Performance:** Pay attention to recoil management and muzzle rise control during use. Adjust shooting stance as necessary.
- **Regular Maintenance:** After each use, clean the muzzle brake to remove carbon buildup and ensure optimal performance.

Disposal Instructions

- **Dispose of the product responsibly:** If you need to dispose of the HELLFIRE MATCH MUZZLE BRAKE, follow local regulations for the disposal of metal products.
- **Do not discard in regular trash:** Check for any recycling programs in your area that accept metal components.

Contact Information for Further Support

For any questions regarding the HELLFIRE MATCH MUZZLE BRAKE or safety concerns, please refer to the contact information provided by your retailer or manufacturer.

By following these guidelines, you can ensure the safe and effective use of your HELLFIRE MATCH MUZZLE BRAKE. Thank you for prioritizing safety and compliance.
