

# HELLFIRE MATCH MUZZLE BRAKE - AREA 419 6.5MM (25-6.5MM)

## HELLFIRE MATCH BRAKE, STAINLESS

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Softer, Flatter, No Extra Blast. With the original, and best-selling Hellfire release in 2016 we packed everything we knew about making a good muzzle brake into one design. Now, years later, we went back to the drawing board with a deeper understanding of what a brake can and should do, and how it can make a rifle as manageable as possible as the bullet exits. Introducing the Hellfire Match. This 4-port design isn't simply stacking more of the same design on the end, it's a complete redesign with each port being different. Different length ports, different angle ports, and different height port optimizes each one to provide an ideal function based on the pressure and volume of gas being acted on at its position. This results in optimal recoil management, optimal muzzle rise control, and imparts no extra sound pressure at the shooter position. Using our patented Hellfire Self-Timing system, this brake uses the same Hellfire Universal Adapters that have been in our lineup for years, and can integrate with your Suppressor Mounts, Hellfire, Hellfire 2P and Linear Flash Suppressor. While this will be the new flagship brake, it is very much a part of our super popular Hellfire family.

### Attributes

- Name: [AREA 419 6.5MM \(25-6.5MM\) HELLFIRE MATCH BRAKE, STAINLESS](#)
- Manufacturer: [AREA 419](#)
- Product no.: 100047599
- Mfr. No.: 419HFMAT-SS-6.5
- Caliber: 265/6.5 mm (.265)
- Finish: Stainless
- Material: Stainless Steel
- Threads: 5/8-24
- Delivery weight: 0.272kg
- Shipping height: 51mm
- Shipping width: 89mm
- Shipping length: 152mm
- UPC: 810080180666

# HELLFIRE MATCH MUZZLE BRAKE USER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the HELLFIRE MATCH MUZZLE BRAKE from AREA 419. This product is designed to enhance your shooting experience by providing optimal recoil management and muzzle rise control. However, it is essential to understand the safety guidelines and instructions for proper use to ensure a safe and enjoyable experience.

## General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that you are familiar with the operation of your firearm and the muzzle brake before use.
- Use appropriate personal protective equipment (PPE), including eye and ear protection, when using firearms.
- Keep the muzzle brake and firearm pointed in a safe direction at all times.
- Store the muzzle brake and firearm securely when not in use, out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of damage or wear. Do not use if damaged.

## Specific Safety Precautions for Use

- Do not exceed the recommended caliber specifications for the HELLFIRE MATCH MUZZLE BRAKE.
- Ensure that the muzzle brake is properly installed before firing the firearm.
- Avoid using the muzzle brake with ammunition that is not compatible with the specified caliber.
- Be aware of the increased noise levels that may occur when using the muzzle brake, and ensure all shooters and bystanders are adequately protected.
- If you experience any unusual sounds or recoil while using the muzzle brake, stop using it immediately and inspect for issues.
- Always follow the manufacturer's guidelines for installation and use.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing muzzle device from the firearm.
- Clean the threads of the muzzle to ensure proper fit.
- Install the HELLFIRE MATCH MUZZLE BRAKE by screwing it onto the muzzle threads in a clockwise direction.
- Use a torque wrench to tighten the muzzle brake to the manufacturer's specified torque settings to avoid damage.
- Check the alignment of the muzzle brake to ensure it is straight and properly positioned.

### 2. Usage

- Before firing, doublecheck that the muzzle brake is securely attached.
- Load the firearm according to the manufacturer's instructions.
- When ready to fire, assume a stable shooting position with proper grip and stance.
- Fire the firearm while maintaining control and awareness of the muzzle rise and recoil.
- After firing, inspect the muzzle brake for any signs of shift or damage before subsequent shots.

## **Disposal Instructions**

- Dispose of the HELLFIRE MATCH MUZZLE BRAKE in accordance with local regulations.
- Do not dispose of the muzzle brake in regular household waste. Instead, contact local waste management authorities for guidance on proper disposal methods.
- If the product is damaged and cannot be used, ensure that it is rendered unusable before disposal to prevent accidental use.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the HELLFIRE MATCH MUZZLE BRAKE, please refer to the manufacturer's website or contact the designated support channels for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your HELLFIRE MATCH MUZZLE BRAKE. Always prioritize safety and remain informed about best practices for firearm use. Thank you for your attention to safety.
