

BORE-MAX SPEED JAG & PATCH COMBO - REAL AVID 6.5MM/260 CAL BORE-MAX JAG & BORE-MAX SPEED PATCHES 25CT

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Bore-Max Speed Jag and Patches are components of the Bore-Max Speed Clean System for faster and easier bore cleaning. Within the bore, carbon and copper fouling build-up in layers over time and cumulatively have a significant impact on a firearms performance if left unchecked. The carbon build-up essentially insulates the copper fouling from the outside in. Carbon layers need to be removed mechanically with a bore brush in order to fully expose the copper layers beneath. Alternately, copper must be chemically dissolved in order to remove it from the bore, as a brush is ineffective at breaking loose these heat-melded deposits. Sized to account precisely for both the jag diameter and patch thickness this Speed Jag and Patch combo provides the optimal compression to thoroughly and consistently reach into the lands and grooves. Tight enough to provide superior compression within the bore while still remaining relatively easy to push through. The Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown to have superior absorbency over cotton. This material is better at absorbing fouling and spent solvent in the bore and is more effective at picking up and trapping crud.

Attributes

- Name: [REAL AVID 6.5MM/260 CAL BORE-MAX JAG & BORE-MAX SPEED PATCHES 25CT](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047685
- Mfr. No.: AVBMJAG65MM
- Caliber: 6.5mm
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 70mm
- Shipping length: 165mm
- UPC: 813119013522

Safety Instruction Guide for BOREMAX SPEED JAG & PATCH COMBO

Introduction

Thank you for choosing the BOREMAX SPEED JAG & PATCH COMBO. This product is designed to enhance your bore cleaning experience, ensuring optimal performance of your firearm. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the BOREMAX SPEED JAG & PATCH COMBO. Follow all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any product recalls. Check the EU's Safety Gate platform for updates regarding safety notices.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to those found in physical stores.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Be aware that updates on unsafe products can be found via the Safety Gate system.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instructions before using the product.
- **Use Protective Gear:** Wear safety glasses and gloves while cleaning your firearm to protect against solvents and debris.
- **Avoid Inhalation:** Use in a wellventilated area to avoid inhaling fumes from cleaning solvents.
- **Keep Away from Heat:** Do not expose the product to open flames or high temperatures, as it may pose a fire hazard.
- **Inspect Before Use:** Check the jag and patches for any damage before use. Do not use damaged components.
- **Proper Storage:** Store in a cool, dry place away from direct sunlight and out of reach of children.

Instructions for Installation and Usage

- **Preparation:**
 1. Ensure your firearm is unloaded and safe to clean.
 2. Gather all necessary cleaning materials, including the BOREMAX SPEED JAG & PATCH COMBO.
- **Installation:**
 1. Attach the BOREMAX SPEED JAG to your cleaning rod securely.
 2. Select an appropriate patch size and insert it onto the jag.
- **Usage:**
 1. Apply a suitable cleaning solvent to the patch.
 2. Insert the jag with the patch into the bore of the firearm.
 3. Push the jag through the bore with a steady motion, ensuring it makes contact with the lands and grooves.
 4. Remove the jag and patch from the bore and inspect for fouling.

5. Repeat the process as necessary until the bore is clean.

- **PostCleaning:**

1. Dispose of used patches and solvent according to local regulations.
2. Clean the jag with solvent and store it properly.

Disposal Instructions

- Dispose of used patches and any cleaning solvents in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste. Check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BOREMAX SPEED JAG & PATCH COMBO, please refer to the contact information provided by your retailer or manufacturer.

Thank you for your attention to these safety instructions. Enjoy a safe and effective cleaning experience with your BOREMAX SPEED JAG & PATCH COMBO.
