

BORE-MAX SPEED JAG & PATCH COMBO - REAL AVID 7.62MM/30 CAL BORE-MAX JAG & BORE-MAX SPEED PATCHES 25CT

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Bore-Max Speed Jag and Patches are components of the Bore-Max Speed Clean System for faster and easier bore cleaning. Within the bore, carbon and copper fouling build-up in layers over time and cumulatively have a significant impact on a firearms performance if left unchecked. The carbon build-up essentially insulates the copper fouling from the outside in. Carbon layers need to be removed mechanically with a bore brush in order to fully expose the copper layers beneath. Alternately, copper must be chemically dissolved in order to remove it from the bore, as a brush is ineffective at breaking loose these heat-melded deposits. Sized to account precisely for both the jag diameter and patch thickness this Speed Jag and Patch combo provides the optimal compression to thoroughly and consistently reach into the lands and grooves. Tight enough to provide superior compression within the bore while still remaining relatively easy to push through. The Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown to have superior absorbency over cotton. This material is better at absorbing fouling and spent solvent in the bore and is more effective at picking up and trapping crud.

Attributes

- Name: [REAL AVID 7.62MM/30 CAL BORE-MAX JAG & BORE-MAX SPEED PATCHES 25CT](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047688
- Mfr. No.: AVBMJAG30
- Caliber: 30 Caliber, 7.62mm
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 70mm
- Shipping length: 171mm
- UPC: 813119013546

BOREMAX SPEED JAG & PATCH COMBO

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BOREMAX SPEED JAG & PATCH COMBO. This product is designed to enhance the efficiency of bore cleaning for firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Always follow the manufacturer's instructions for use and maintenance.
- In case of any doubts or questions, consult a qualified professional.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when cleaning firearms.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Do not use the BOREMAX SPEED JAG & PATCH COMBO with any other cleaning system unless specified by the manufacturer.
- Avoid contact with solvents and chemicals; use gloves if necessary.
- Dispose of used patches and cleaning materials in accordance with local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe environment.
- Gather all necessary cleaning materials, including the BOREMAX SPEED JAG & PATCH COMBO.

2. Installation:

- Attach the Speed Jag securely to the cleaning rod.
- Ensure that the patch is properly seated on the jag.

3. Usage:

- Insert the jag with the patch into the bore of the firearm.
- Apply a suitable solvent to the patch if necessary.
- Push the jag through the bore in a smooth motion, ensuring the patch engages with the rifling.
- Repeat as necessary until the bore is clean.
- After use, remove the jag and dispose of the patch responsibly.

4. PostCleaning:

- Wipe down the jag and rod after use to remove any residue.
- Store the product in a dry and safe place away from children.

Disposal Instructions

- Dispose of used patches and cleaning materials according to local waste management regulations.
- Do not dispose of cleaning materials in the household waste if they contain hazardous substances.
- Check local guidelines for the disposal of chemicals and solvents.

Contact Information for Further Support

For any questions regarding the BOREMAX SPEED JAG & PATCH COMBO or for safety inquiries, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and effective cleaning process for your firearm. Thank you for your attention to safety.
