

BORE-MAX SPEED JAG & PATCH COMBO - REAL AVID 22 CALIBER BORE-MAX JAG & BORE-MAX SPEED PATCHES 25CT

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Bore-Max Speed Jag and Patches are components of the Bore-Max Speed Clean System for faster and easier bore cleaning. Within the bore, carbon and copper fouling build-up in layers over time and cumulatively have a significant impact on a firearms performance if left unchecked. The carbon build-up essentially insulates the copper fouling from the outside in. Carbon layers need to be removed mechanically with a bore brush in order to fully expose the copper layers beneath. Alternately, copper must be chemically dissolved in order to remove it from the bore, as a brush is ineffective at breaking loose these heat-melded deposits. Sized to account precisely for both the jag diameter and patch thickness this Speed Jag and Patch combo provides the optimal compression to thoroughly and consistently reach into the lands and grooves. Tight enough to provide superior compression within the bore while still remaining relatively easy to push through. The Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown to have superior absorbency over cotton. This material is better at absorbing fouling and spent solvent in the bore and is more effective at picking up and trapping crud.

Attributes

- Name: [REAL AVID 22 CALIBER BORE-MAX JAG & BORE-MAX SPEED PATCHES 25CT](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047689
- Mfr. No.: AVBMJAG22
- Caliber: 22 Caliber
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 70mm
- Shipping length: 171mm
- UPC: 813119013553

BOREMAX SPEED JAG & PATCH COMBO

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the BOREMAX SPEED JAG & PATCH COMBO by REAL AVID. This product is designed to enhance your bore cleaning experience, ensuring a cleaner and more efficient firearm. To ensure your safety and the effective use of this product, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the BOREMAX SPEED JAG & PATCH COMBO is used only for its intended purpose, which is bore cleaning for firearms of .22 caliber.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the product before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before using the BOREMAX SPEED JAG & PATCH COMBO.
- Use the product in a well-ventilated area to avoid inhaling any harmful fumes from cleaning solvents.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, to prevent skin and eye contact with cleaning solvents.
- Avoid using excessive force when pushing the jag and patch through the bore to prevent damage to the firearm.
- Dispose of used patches and solvents according to local regulations to minimize environmental impact.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the BOREMAX SPEED JAG, SPEED PATCHES, and appropriate cleaning solvent.

2. Installation of the Jag:

- Attach the BOREMAX SPEED JAG to the cleaning rod according to the manufacturer's instructions.
- Ensure that the jag is securely fastened to prevent it from detaching during use.

3. Using the Speed Patches:

- Select a SPEED PATCH from the package.
- Place the SPEED PATCH over the BOREMAX SPEED JAG, ensuring it fits snugly.
- Apply a small amount of cleaning solvent to the patch for optimal cleaning effectiveness.

4. Bore Cleaning:

- Insert the jag with the attached patch into the bore.
- Gently push the jag through the bore, applying even pressure.

- Pull the jag back out of the bore and repeat the process as necessary until the bore is clean.

5. PostCleaning:

- After cleaning, remove the jag and patch from the cleaning rod.
- Dispose of the used patch and any cleaning solvents in accordance with local regulations.
- Store the BOREMAX SPEED JAG & PATCH COMBO in a safe place for future use.

Disposal Instructions

- Dispose of used SPEED PATCHES and any cleaning solvents according to local waste disposal regulations.
- Do not dispose of cleaning materials in regular household waste.

Contact Information for Further Support

For any inquiries regarding the BOREMAX SPEED JAG & PATCH COMBO, please refer to the contact information provided on the packaging or visit the manufacturer's website for additional support.

Thank you for your attention to these safety instructions. Enjoy using your BOREMAX SPEED JAG & PATCH COMBO safely and effectively!
