

# BORE-MAX SPEED JAG & PATCH COMBO - REAL AVID 40 CALIBER

## BORE-MAX JAG & BORE-MAX SPEED PATCHES 25CT

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Bore-Max Speed Jag and Patches are components of the Bore-Max Speed Clean System for faster and easier bore cleaning. Within the bore, carbon and copper fouling build-up in layers over time and cumulatively have a significant impact on a firearms performance if left unchecked. The carbon build-up essentially insulates the copper fouling from the outside in. Carbon layers need to be removed mechanically with a bore brush in order to fully expose the copper layers beneath. Alternately, copper must be chemically dissolved in order to remove it from the bore, as a brush is ineffective at breaking loose these heat-melded deposits. Sized to account precisely for both the jag diameter and patch thickness this Speed Jag and Patch combo provides the optimal compression to thoroughly and consistently reach into the lands and grooves. Tight enough to provide superior compression within the bore while still remaining relatively easy to push through. The Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown to have superior absorbency over cotton. This material is better at absorbing fouling and spent solvent in the bore and is more effective at picking up and trapping crud.

### Attributes

- Name: [REAL AVID 40 CALIBER BORE-MAX JAG & BORE-MAX SPEED PATCHES 25CT](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047691
- Mfr. No.: AVBMJAG40
- Caliber: 40 Caliber
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 70mm
- Shipping length: 171mm
- UPC: 813119013584

# **BOREMAX SPEED JAG & PATCH COMBO**

## **Consumer Safety Instruction Guide**

### **Introduction**

Thank you for choosing the BOREMAX SPEED JAG & PATCH COMBO by REAL AVID. This product is designed for efficient bore cleaning of 40 caliber firearms. To ensure your safety and the effective use of this product, please read and follow the instructions and safety guidelines outlined in this document.

### **General Safety Guidelines**

- Ensure the product is used only for its intended purpose as described.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before use for any signs of damage or wear.
- Do not use the product if it appears to be damaged or defective.
- Always follow the manufacturer's instructions for cleaning and maintenance.
- Report any unsafe products or incidents to the appropriate authorities.

### **Specific Safety Precautions for Use**

- Always ensure that the firearm is unloaded before cleaning.
- Wear appropriate eye protection to prevent debris from entering your eyes during use.
- Use the product in a wellventilated area to avoid inhaling fumes from cleaning solvents.
- Avoid prolonged skin contact with cleaning solvents; use gloves if necessary.
- Follow all local regulations regarding the disposal of hazardous materials.

### **Instructions for Installation and Usage**

#### **1. Preparation:**

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary tools and materials, including the BOREMAX SPEED JAG, SPEED PATCHES, and a suitable cleaning solvent.

#### **2. Installation:**

- Attach the BOREMAX SPEED JAG to the cleaning rod securely.
- Select the appropriate SPEED PATCH based on the size of the jag.

#### **3. Usage:**

- Apply a small amount of cleaning solvent to the SPEED PATCH.
- Insert the SPEED PATCH onto the BOREMAX SPEED JAG.
- Insert the jag into the bore of the firearm, ensuring it fits snugly.
- Push the jag through the bore in a smooth motion, allowing the patch to scrub the interior surfaces.
- Repeat the process as needed, replacing the SPEED PATCH when it becomes dirty or ineffective.
- After cleaning, remove the jag and discard the used patch responsibly.

### **Disposal Instructions**

- Dispose of used SPEED PATCHES and any cleaning materials in accordance with local regulations for hazardous waste.

- Do not dispose of cleaning solvents in regular household waste; follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the manufacturer's website or customer service contact for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the BOREMAX SPEED JAG & PATCH COMBO. Thank you for your attention to these important guidelines.
