

# BORE-MAX SPEED JAG & PATCH COMBO - REAL AVID 45 CALIBER

## BORE-MAX JAG & BORE-MAX SPEED PATCHES 25CT

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Bore-Max Speed Jag and Patches are components of the Bore-Max Speed Clean System for faster and easier bore cleaning. Within the bore, carbon and copper fouling build-up in layers over time and cumulatively have a significant impact on a firearms performance if left unchecked. The carbon build-up essentially insulates the copper fouling from the outside in. Carbon layers need to be removed mechanically with a bore brush in order to fully expose the copper layers beneath. Alternately, copper must be chemically dissolved in order to remove it from the bore, as a brush is ineffective at breaking loose these heat-melded deposits. Sized to account precisely for both the jag diameter and patch thickness this Speed Jag and Patch combo provides the optimal compression to thoroughly and consistently reach into the lands and grooves. Tight enough to provide superior compression within the bore while still remaining relatively easy to push through. The Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown to have superior absorbency over cotton. This material is better at absorbing fouling and spent solvent in the bore and is more effective at picking up and trapping crud.

### Attributes

- Name: [REAL AVID 45 CALIBER BORE-MAX JAG & BORE-MAX SPEED PATCHES 25CT](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047692
- Mfr. No.: AVBMJAG45
- Caliber: 45 Caliber
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 70mm
- Shipping length: 171mm
- UPC: 813119013591

## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the BOREMAX SPEED JAG & PATCH COMBO by REAL AVID. This product is designed to facilitate faster and easier bore cleaning for your firearms. It is essential to use this product safely and effectively to ensure optimal performance and safety. This guide provides important safety instructions and guidelines to help you use the product responsibly.

### General Safety Guidelines

- Ensure safe use of the BOREMAX SPEED JAG & PATCH COMBO by adhering to the following guidelines:
  - Always read and understand the product instructions before use.
  - Keep the product out of reach of children and vulnerable individuals.
  - Be aware of potential hazards associated with firearm cleaning products.
  - Use the product only for its intended purpose.
  - Regularly check for any product recalls or safety notices.

### Specific Safety Precautions for Use

- When using the BOREMAX SPEED JAG & PATCH COMBO, please observe the following precautions:
  - Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
  - Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
  - Avoid using excessive force when inserting the jag and patches into the bore.
  - Do not use the product if you notice any damage or defects.
  - Dispose of used patches and materials in accordance with local regulations.

### Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the BOREMAX SPEED JAG & PATCH COMBO:
  1. Prepare your workspace by ensuring it is clean and free of obstructions.
  2. Confirm that your firearm is unloaded and safe to clean.
  3. Select the appropriate jag size for your firearm's caliber (45 caliber).
  4. Attach the Speed Jag to your cleaning rod securely.
  5. Insert a Speed Patch onto the jag, ensuring it fits snugly.
  6. Apply a suitable bore cleaning solvent to the patch.
  7. Insert the jag and patch into the bore, pushing gently but firmly through the barrel.
  8. Repeat the process as necessary until the bore is clean.
  9. After cleaning, remove the jag and patch from the bore and dispose of the used patch properly.

### Disposal Instructions

- Proper disposal of used materials is important. Please follow these instructions:
  - Dispose of used patches in accordance with local waste disposal regulations.
  - Do not dispose of cleaning solvents or chemicals in regular trash. Follow local guidelines for hazardous waste disposal.
  - Ensure that all cleaning materials are kept out of reach of children and pets.

## **Contact Information for Further Support**

- For any inquiries or concerns regarding the BOREMAX SPEED JAG & PATCH COMBO, please contact your local retailer or the manufacturer directly. Ensure you have the product details available for reference.

Thank you for choosing the BOREMAX SPEED JAG & PATCH COMBO. Your safety and satisfaction are our priority. Please use this product responsibly and in accordance with the guidelines provided.
