

BORE-MAX SPEED JAG PATCH REFILL PACK - REAL AVID BORE-MAX SPEED JAG PATCH REFILL PACK 4" L 250CT

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

Bore-Max Speed Jag Patches are a component of the Bore-Max Speed Clean System for faster and easier bore cleaning. Sized to account precisely for both the jag diameter and patch thickness this combo provides the optimal compression to thoroughly and consistently reach into the lands and grooves. Tight enough to provide superior compression within the bore while still remaining relatively easy to push through. Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown superior absorbency over cotton and is better at absorbing fouling and spent solvent in the bore. The quilt-like textured surface is more effective at picking up and trapping crud as it passes through the bore without fraying or dropping lint.

Attributes

- Name: [REAL AVID BORE-MAX SPEED JAG PATCH REFILL PACK 4" L 250CT](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047694
- Mfr. No.: AVBMPATCH4L
- Caliber: 45 Caliber,9 mm (.355-.356)
- Size: 4
- Style: Handgun
- Quantity: 250
- Delivery weight: 0.136kg
- Shipping height: 38mm
- Shipping width: 121mm
- Shipping length: 152mm
- UPC: 813119013614

BoreMax Speed Jag Patch Refill Pack Safety Instructions

Introduction

Thank you for choosing the BoreMax Speed Jag Patch Refill Pack by Real Avid. This product is designed to enhance your bore cleaning experience with safety and efficiency in mind. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

General Safety Guidelines

- Ensure safe usage of the BoreMax Speed Jag Patch Refill Pack by following these guidelines:
 - Always use the product as intended and in accordance with the manufacturer's instructions.
 - Keep the product out of reach of children and vulnerable individuals.
 - Regularly inspect the product for any signs of damage or wear before use.
 - If any part of the product is damaged, discontinue use immediately and dispose of it safely.
 - Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Before using the BoreMax Speed Jag Patch Refill Pack, please observe the following precautions:
 - Use only with compatible jags designed for your specific bore size.
 - Do not overload the jag with patches, as this may cause blockages or damage.
 - Avoid using excessive force when pushing the jag through the bore; this may lead to injury or damage to the firearm.
 - Ensure that the firearm is unloaded and pointed in a safe direction during cleaning.
 - Use in a well-ventilated area to avoid inhaling any fumes from cleaning solvents.
 - Wear protective eyewear and gloves if you are using solvents or other chemicals during the cleaning process.

Instructions for Installation and Usage

- To maximize the effectiveness of the BoreMax Speed Jag Patch Refill Pack, follow these installation and usage instructions:
 1. Select the appropriate jag size for your firearm.
 2. Take a Speed Patch from the refill pack.
 3. Place the patch onto the jag, ensuring it is centered and secure.
 4. Apply a suitable bore cleaning solvent to the patch if desired.
 5. Insert the jag with the patch into the bore of the firearm.
 6. Gently push the jag through the bore, applying steady pressure without forcing it.
 7. After cleaning, remove the jag and patch from the bore.
 8. Dispose of the used patch safely and in accordance with local waste regulations.
 9. Repeat the process as necessary until the bore is clean.

Disposal Instructions

- Proper disposal of the BoreMax Speed Jag Patch Refill Pack and used patches is essential:
 - Dispose of used patches in accordance with local regulations regarding hazardous waste.
 - Do not dispose of patches in regular household waste if they are contaminated with solvents or chemicals.
 - Store unused patches in a cool, dry place away from direct sunlight until needed.

Contact Information for Further Support

- For any questions or concerns regarding the BoreMax Speed Jag Patch Refill Pack, please refer to the manufacturer's contact details provided on the packaging or the official website.

By adhering to these safety instructions, you can ensure a safer and more effective cleaning experience with your BoreMax Speed Jag Patch Refill Pack. Thank you for your attention to safety.
