

# BORE-MAX SPEED JAG PATCH REFILL PACK - REAL AVID BORE-MAX SPEED JAG PATCH REFILL PACK 4" S 250CT

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

Bore-Max Speed Jag Patches are a component of the Bore-Max Speed Clean System for faster and easier bore cleaning. Sized to account precisely for both the jag diameter and patch thickness this combo provides the optimal compression to thoroughly and consistently reach into the lands and grooves. Tight enough to provide superior compression within the bore while still remaining relatively easy to push through. Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown superior absorbency over cotton and is better at absorbing fouling and spent solvent in the bore. The quilt-like textured surface is more effective at picking up and trapping crud as it passes through the bore without fraying or dropping lint.

Only use Speed Jag Patches™ with the corresponding Speed Jag.

## Attributes

- Name: [REAL AVID BORE-MAX SPEED JAG PATCH REFILL PACK 4" S 250CT](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047695
- Mfr. No.: AVBMPATCH4S
- Caliber: 22 Caliber (.223-.224)
- Size: 4
- Style: Handgun
- Quantity: 250
- Delivery weight: 0.091kg
- Shipping height: 32mm
- Shipping width: 121mm
- Shipping length: 152mm
- UPC: 813119013621

# Safety Instruction Guide for BOREMAX SPEED JAG PATCH REFILL PACK

## Introduction

Thank you for choosing the BOREMAX SPEED JAG PATCH REFILL PACK by REAL AVID. This product is designed to enhance your bore cleaning experience by providing superior absorbency and effective cleaning capabilities. To ensure your safety and the optimal use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use. Always adhere to the instructions provided to minimize any risks associated with its use.
- **Enhanced Recalls:** Stay informed about any potential recalls. If this product is found to be unsafe, you will receive standardized recall notices.
- **Online Shopping Safety:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the EU-based contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Use in a Well-Ventilated Area:** Always use this product in a space with adequate ventilation to avoid inhaling any fumes.
- **Avoid Eye Contact:** Do not allow the patches to come into contact with your eyes. If contact occurs, rinse immediately with plenty of water and seek medical attention if irritation persists.
- **Keep Away from Flames:** This product is not flammable, but it is advisable to keep it away from open flames and high heat sources.
- **Do Not Ingest:** This product is not meant for consumption. If ingested, seek medical help immediately.
- **Store Properly:** Store in a cool, dry place away from direct sunlight and moisture to maintain product integrity.
- **Check for Damage:** Before use, inspect the packaging for any signs of damage. Do not use if the packaging is compromised.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the BOREMAX SPEED JAG PATCH REFILL PACK.

### 2. Loading the Patch:

- Select the appropriate size patch for your jag. The BOREMAX SPEED JAG PATCH is designed for a 4" size.
- Place the patch onto the jag ensuring it fits snugly.

### 3. Applying the Patch:

- Insert the jag with the attached patch into the bore of the firearm.
- Push the jag through the bore with a steady motion. Avoid excessive force to prevent damage.

#### 4. Cleaning:

- Move the jag back and forth through the bore to effectively clean the lands and grooves.
- Replace the patch as needed to continue cleaning until the bore is free of fouling.

#### 5. PostUse Care:

- After cleaning, ensure that all patches are disposed of properly.
- Clean any tools or equipment used during the process to maintain hygiene and safety.

## Disposal Instructions

- Dispose of used patches in accordance with local waste disposal regulations.
- Do not dispose of in open flames or incinerators.
- Ensure that patches are kept out of reach of children and pets during disposal.

## Contact Information for Further Support

For additional support or inquiries regarding the BOREMAX SPEED JAG PATCH REFILL PACK, please refer to the manufacturer's contact information provided on the packaging or their official website.

Thank you for prioritizing safety while using the BOREMAX SPEED JAG PATCH REFILL PACK. Enjoy your cleaning experience!
