

BORE-MAX SPEED CLEAN UPGRADE SET - REAL AVID 5.56MM/22 CALIBER BORE-MAX SPEED CLEAN UPGRADE SET

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Twice the bristle density of standard brushes for maximum scrubbing power. Stiff, nickel plated phosphor bronze bristles reduce chemical breakdown in the bore and extend the life of the brush. To achieve maximize effectiveness, there needs to be an optimal balance between bristle density and bristle flexibility. The bristle configuration of the Bore-Max Speed Brush provides maximum scrubbing density while retaining enough flexibility to effectively reach down into the lands and grooves. The elongated Speed Jag features multiple compression rings along the entire length of the jag. Bore-Max Speed Jag and Patches are precisely sized to provide the optimal compression and contact to wipe the inner surface of the bore. Tight along the entire length, yet still relatively easy to push through. The Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown superior absorbency over cotton. This material is also more effective at picking up and trapping crud. One pass-through the bore of Speed Jag and Speed Jag Patch delivers the same results as pushing up to 4 or more traditional jags and square patches.

Attributes

- Name: [REAL AVID 5.56MM/22 CALIBER BORE-MAX SPEED CLEAN UPGRADE SET](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047696
- Mfr. No.: AVBMSET223
- Caliber: 22 Caliber
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 108mm
- Shipping length: 159mm
- UPC: 813119013638

BOREMAX SPEED CLEAN UPGRADE SET Safety Instructions

Introduction

Thank you for purchasing the BOREMAX SPEED CLEAN UPGRADE SET. This product is designed to provide effective cleaning for your firearms, specifically for 5.56mm and .22 caliber barrels. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always store the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in the product description.
- Regularly inspect the product for wear and tear. Do not use if damaged.
- Be aware of your surroundings while cleaning your firearm to prevent accidents.
- Follow local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before cleaning.
- Wear safety glasses to protect your eyes from debris.
- Avoid using excessive force when pushing the Speed Jag through the bore.
- Do not use the product with incompatible cleaning agents or solvents.
- Keep the cleaning area wellventilated to avoid inhaling fumes from cleaning agents.
- Dispose of used patches and cleaning materials according to local waste disposal regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the BoreMax Speed Brush, Speed Jag, and Speed Patches.

2. Using the BoreMax Speed Brush:

- Attach the BoreMax Speed Brush to a compatible cleaning rod.
- Insert the brush into the barrel from the chamber end, ensuring it is pushed straight through.
- Use a smooth, steady motion to scrub the bore. Avoid excessive force.

3. Using the Speed Jag:

- Attach the Speed Jag to the cleaning rod.
- Insert a Speed Patch onto the jag, ensuring it fits snugly.
- Insert the jag into the barrel, pushing it through with a smooth motion.
- Repeat as necessary until the bore is clean.

4. Cleaning Maintenance:

- After use, clean the BoreMax Speed Brush and Speed Jag with a suitable cleaning solvent.
- Store all components in a dry, cool place, away from direct sunlight.

Disposal Instructions

- Dispose of used Speed Patches and any other cleaning materials in accordance with local regulations.
- Do not dispose of cleaning agents down the drain unless specified by the manufacturer.

Contact Information for Further Support

For any questions or concerns regarding the BOREMAX SPEED CLEAN UPGRADE SET, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your BOREMAX SPEED CLEAN UPGRADE SET. Thank you for your attention to safety!
