

# BORE-MAX SPEED CLEAN UPGRADE SET - REAL AVID 6MM/243 CALIBER BORE-MAX SPEED CLEAN UPGRADE SET

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Twice the bristle density of standard brushes for maximum scrubbing power. Stiff, nickel plated phosphor bronze bristles reduce chemical breakdown in the bore and extend the life of the brush. To achieve maximize effectiveness, there needs to be an optimal balance between bristle density and bristle flexibility. The bristle configuration of the Bore-Max Speed Brush provides maximum scrubbing density while retaining enough flexibility to effectively reach down into the lands and grooves. The elongated Speed Jag features multiple compression rings along the entire length of the jag. Bore-Max Speed Jag and Patches are precisely sized to provide the optimal compression and contact to wipe the inner surface of the bore. Tight along the entire length, yet still relatively easy to push through. The Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown superior absorbency over cotton. This material is also more effective at picking up and trapping crud. One pass-through the bore of Speed Jag and Speed Jag Patch delivers the same results as pushing up to 4 or more traditional jags and square patches.

## Attributes

- Name: [REAL AVID 6MM/243 CALIBER BORE-MAX SPEED CLEAN UPGRADE SET](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047697
- Mfr. No.: AVBMSET243
- Caliber: 243 Caliber,6mm
- Delivery weight: 0.045kg
- Shipping height: 19mm
- Shipping width: 108mm
- Shipping length: 159mm
- UPC: 813119013645

# BOREMAX SPEED CLEAN UPGRADE SET Safety Instructions

## Introduction

Thank you for choosing the BOREMAX SPEED CLEAN UPGRADE SET by REAL AVID. This product is designed to enhance your cleaning experience for 6mm and .243 caliber firearms. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the BOREMAX SPEED CLEAN UPGRADE SET, which includes cleaning brushes and patches. Always follow the instructions provided.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall occurs, you may be entitled to a free remedy.
- **Online Shopping:** Ensure that you purchase the product from authorized retailers to guarantee safety and compliance.
- **Special Consumer Focus:** Keep this product out of reach of children. It is not intended for use by individuals under the age of 18 without adult supervision.
- **EU Contact Point:** For safety inquiries, contact the retailer or manufacturer directly.
- **Rapid Alerts:** Check the EU's Safety Gate platform for the latest updates on product safety and recalls.

## Specific Safety Precautions for Use

- Always use the BOREMAX SPEED CLEAN UPGRADE SET in a wellventilated area.
- Wear safety glasses to protect your eyes from debris during cleaning.
- Ensure that the firearm is unloaded before cleaning.
- Do not use the product if you notice any damage to the brushes or patches.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary materials: BOREMAX SPEED CLEAN UPGRADE SET, cleaning solvent, and a clean workspace.

### 2. Using the Speed Brush:

- Insert the Speed Brush into the bore of the firearm.
- Use a twisting motion to maximize scrubbing power.
- Pull the brush through the bore in a single motion to avoid damaging the rifling.

### 3. Using the Speed Jag:

- Attach the Speed Jag to your cleaning rod.
- Insert a Speed Patch onto the jag.
- Push the jag through the bore to wipe the inner surface, ensuring optimal contact.

### 4. Repeat as Necessary:

- For best results, repeat the brushing and patching process as needed until the bore is clean.

## 5. **PostCleaning:**

- Inspect the brushes and patches for wear and replace them as needed.
- Store the BOREMAX SPEED CLEAN UPGRADE SET in a dry place.

## **Disposal Instructions**

- Dispose of used patches and any nonreusable materials in accordance with local waste disposal regulations.
- Do not dispose of cleaning materials down the drain or in the environment.

## **Contact Information for Further Support**

For any questions regarding the BOREMAX SPEED CLEAN UPGRADE SET, please refer to the retailer or manufacturer from whom you purchased the product.
