

BORE-MAX SPEED CLEAN UPGRADE SET - REAL AVID 6.5MM/260 CALIBER BORE-MAX SPEED CLEAN UPGRADE SET

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Twice the bristle density of standard brushes for maximum scrubbing power. Stiff, nickel plated phosphor bronze bristles reduce chemical breakdown in the bore and extend the life of the brush. To achieve maximize effectiveness, there needs to be an optimal balance between bristle density and bristle flexibility. The bristle configuration of the Bore-Max Speed Brush provides maximum scrubbing density while retaining enough flexibility to effectively reach down into the lands and grooves. The elongated Speed Jag features multiple compression rings along the entire length of the jag. Bore-Max Speed Jag and Patches are precisely sized to provide the optimal compression and contact to wipe the inner surface of the bore. Tight along the entire length, yet still relatively easy to push through. The Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown superior absorbency over cotton. This material is also more effective at picking up and trapping crud. One pass-through the bore of Speed Jag and Speed Jag Patch delivers the same results as pushing up to 4 or more traditional jags and square patches.

Attributes

- Name: [REAL AVID 6.5MM/260 CALIBER BORE-MAX SPEED CLEAN UPGRADE SET](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047698
- Mfr. No.: AVBMSET65MM
- Caliber: 243 Caliber, 6.5mm
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 108mm
- Shipping length: 159mm
- UPC: 813119013652

BOREMAX SPEED CLEAN UPGRADE SET Safety Instruction Guide

Introduction

Thank you for choosing the BOREMAX SPEED CLEAN UPGRADE SET by REAL AVID. This product is designed to enhance your cleaning experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product before use for any visible damage or wear.
- Follow all instructions for safe handling and cleaning.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay updated on any product recalls or safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear safety goggles to protect your eyes from debris during cleaning.
- Use gloves to protect your hands from chemicals and potential abrasions.
- Ensure that the area where you are cleaning is wellventilated to avoid inhaling fumes from cleaning agents.
- Do not use the product if you are under the influence of drugs or alcohol.
- Avoid using excessive force when cleaning to prevent damage to the bore or injury to yourself.
- Do not use the product on hot surfaces or in environments where it could be exposed to extreme temperatures.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the BOREMAX SPEED CLEAN UPGRADE SET, cleaning patches, and any cleaning agents you may require.
- Ensure your workspace is clean and free of clutter.

2. Using the BoreMax Speed Brush:

- Insert the BoreMax Speed Brush into the bore of your firearm.
- Apply a suitable cleaning agent to the brush if necessary.
- Use a smooth, steady motion to scrub the bore, ensuring that the brush reaches into the lands and grooves.

3. Using the Speed Jag and Patches:

- Attach the Speed Jag to your cleaning rod.
- Insert a Speed Patch onto the Speed Jag.
- Push the Speed Jag and patch through the bore, ensuring a tight fit for optimal cleaning.
- Repeat as necessary, using multiple patches for thorough cleaning.

4. PostCleaning:

- After cleaning, inspect the bore to ensure it is free of debris and residue.
- Store the BOREMAX SPEED CLEAN UPGRADE SET in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of used patches and any other disposable materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check local guidelines for proper disposal methods for cleaning tools and materials.

Contact Information for Further Support

For any questions or concerns regarding the BOREMAX SPEED CLEAN UPGRADE SET, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your BOREMAX SPEED CLEAN UPGRADE SET. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
