

# BORE-MAX SPEED CLEAN UPGRADE SET - REAL AVID 45 CALIBER

## BORE-MAX SPEED CLEAN UPGRADE SET

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Twice the bristle density of standard brushes for maximum scrubbing power. Stiff, nickel plated phosphor bronze bristles reduce chemical breakdown in the bore and extend the life of the brush. To achieve maximize effectiveness, there needs to be an optimal balance between bristle density and bristle flexibility. The bristle configuration of the Bore-Max Speed Brush provides maximum scrubbing density while retaining enough flexibility to effectively reach down into the lands and grooves. The elongated Speed Jag features multiple compression rings along the entire length of the jag. Bore-Max Speed Jag and Patches are precisely sized to provide the optimal compression and contact to wipe the inner surface of the bore. Tight along the entire length, yet still relatively easy to push through. The Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown superior absorbency over cotton. This material is also more effective at picking up and trapping crud. One pass-through the bore of Speed Jag and Speed Jag Patch delivers the same results as pushing up to 4 or more traditional jags and square patches.

Only use Speed Jag Patches™ with the corresponding Speed Jag.

### Attributes

- Name: [REAL AVID 45 CALIBER BORE-MAX SPEED CLEAN UPGRADE SET](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047703
- Mfr. No.: AVBMSET45
- Caliber: 45 Caliber
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 114mm
- Shipping length: 159mm
- UPC: 813119013706

# BOREMAX SPEED CLEAN UPGRADE SET Safety Instruction Guide

## Introduction

Thank you for choosing the BOREMAX SPEED CLEAN UPGRADE SET. This product is designed to provide superior cleaning efficiency for your firearms. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide. Your safety and satisfaction are our top priorities.

## General Safety Guidelines

- Always handle cleaning products and tools with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the cleaning area is wellventilated to avoid inhalation of any cleaning substances.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Regularly inspect the product for any signs of damage or wear before use.
- If you encounter any issues or have concerns about the product, discontinue use and seek assistance.

## Specific Safety Precautions for Use

- Use only as instructed. Do not modify or alter the product.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, while cleaning.
- Do not use the product on any surfaces other than those specified in the instructions.
- Avoid using excessive force when cleaning to prevent damage to the bore or the brush.
- Dispose of used patches and cleaning materials in accordance with local waste disposal regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary materials, including the BOREMAX SPEED CLEAN UPGRADE SET, patches, and any additional cleaning agents.

### 2. Installation:

- Attach the Speed Jag to the cleaning rod securely.
- Ensure that the jag fits snugly to prevent any dislodging during use.

### 3. Usage:

- Moisten the Speed Patch with an appropriate cleaning solution.
- Insert the moistened patch onto the Speed Jag.
- Insert the Speed Jag into the bore, applying gentle pressure.
- Pull the jag and patch through the bore from the chamber to the muzzle.
- Repeat the process as necessary, using fresh patches for optimal cleaning.

### 4. PostCleaning:

- After cleaning, inspect the bore to ensure it is free of debris and residue.
- Store the BOREMAX SPEED CLEAN UPGRADE SET in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of used patches and any cleaning agents according to local regulations.
- Do not dispose of cleaning materials in regular household waste unless specified as safe to do so.
- Check with local waste management authorities for proper disposal methods of hazardous materials.

## Contact Information for Further Support

For any inquiries regarding the BOREMAX SPEED CLEAN UPGRADE SET, please refer to the product packaging for the appropriate contact point within the EU. Your feedback is essential for ensuring product safety and compliance.

## Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your BOREMAX SPEED CLEAN UPGRADE SET. Always prioritize safety and follow best practices for firearm maintenance. Thank you for choosing our product, and happy cleaning!
