

# AR-15/M16 VICKERS COMBAT APPLICATIONS SLING - BLUE FORCE GEAR VICKERS SLING MULTICAM NYLON HARDWARE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

## Adjusts Quickly, Won't Tangle Or Twist

Two-point sling with quick adjustment strap lets the operator change sling length without creating loose ends that can tangle with other gear. Allows for a variety of carry and shooting positions based on the required tactical response. Fits rifles and carbines with side-mounted sling swivels that have 1¼" wide loops. Composed of two, separate sections of Cordura® nylon webbing: 17" forearm end, including quick adjustment loop, and 30" rear buttstock end, joined together with a high-strength steel loop. Available with sliding adjustment buckles made of tough molded Acetal military-grade hard polymer. Combat-proven; deployed with all branches of U.S. military. Developed by Larry Vickers, noted firearms expert and former operational member of 1st SFOD Delta (aka "Combat Applications Group").

## Attributes

- Name: [BLUE FORCE GEAR VICKERS SLING MULTICAM NYLON HARDWARE](#)
- Manufacturer: [BLUE FORCE GEAR](#)

# Safety Instruction Guide for AR15/M16 Vickers Combat Applications Sling

## Introduction

Thank you for choosing the AR15/M16 Vickers Combat Applications Sling by Blue Force Gear. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sling. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the sling is compatible with your firearm before use.
- Regularly inspect the sling for any signs of wear or damage.
- Do not exceed the weight limit of the sling, as specified by the manufacturer.
- Keep the sling and its components away from children and unauthorized users.
- Always follow the manufacturer's instructions for use and care.

## Specific Safety Precautions for Use

- Use the sling only for its intended purpose, which is to support firearms.
- Ensure that the sling is securely attached to the firearm before use.
- Avoid using the sling in wet or slippery conditions, as this may affect grip and control.
- Be cautious when adjusting the sling length to prevent pinching or injury.
- Never use the sling to carry more than one firearm at a time unless specified by the manufacturer.
- If the sling becomes entangled with other gear, carefully detach it before proceeding.

## Instructions for Installation and Usage

### Installation

1. **Check Compatibility:** Ensure that your firearm has sidemounted sling swivels that accommodate 1 1/4" wide loops.
2. **Attach Forearm End:** Slide the forearm end of the sling through the front sling swivel and secure it.
3. **Attach Rear Buttstock End:** Slide the rear buttstock end of the sling through the rear sling swivel and secure it.
4. **Adjust Length:** Use the quick adjustment strap to set the desired sling length. Ensure it is snug but not overly tight.

### Usage

- To carry the firearm, position the sling over your shoulder and adjust to your comfort.
- For shooting positions, adjust the sling to allow for stable aiming and support.
- Always maintain control of the firearm while using the sling.
- If you experience any difficulty with the sling, stop using it immediately and refer to the troubleshooting section of the manufacturer's manual.

## Disposal Instructions

- Dispose of the sling responsibly by following local regulations.
- If the sling is damaged beyond repair, consider recycling its components where possible.
- Do not dispose of the sling in regular household waste if it contains nonbiodegradable materials.

## **Contact Information for Further Support**

For safety inquiries, product support, or to report unsafe products, please refer to the manufacturer's contact information provided with your purchase.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe use of your AR15/M16 Vickers Combat Applications Sling. Always prioritize safety and remain informed about best practices for firearm accessories. Thank you for your attention and commitment to safety.
