# Safety Instructions for Padded Vickers Sling Blue Force Gear Padded Vickers Combat Sling Multicam Tropic

## Introduction

Thank you for choosing the Padded Vickers Sling from Blue Force Gear. This sling is designed to provide comfort and functionality when transitioning from carrying a slung rifle to being combatready. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the sling is properly adjusted and securely attached before use.
- Regularly inspect the sling for any signs of wear, damage, or malfunction.
- Do not exceed the maximum sling length of 67 inches when fully extended.
- Keep the sling out of reach of children and ensure that it is used only by individuals trained in its proper use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Always ensure that the sling is compatible with your weapon system.
- Avoid using the sling in conditions that may compromise its integrity, such as extreme weather or environments with sharp objects.
- Be cautious of the sling's adjustment mechanism to prevent pinching or injury when adjusting the length.
- If using body armor, ensure that the sling is adjusted accordingly to maintain comfort and functionality.
- Do not modify or alter the sling in any way, as this may compromise its safety and effectiveness.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the sling to the designated attachment points on your weapon. Ensure that the clips or loops are fully engaged.
- Adjust the length of the sling using the Quick Adjuster. Pull the webbing to tighten and slide the adjuster to loosen as needed.
- Confirm that the sling is securely attached and that the adjustment mechanism is functioning correctly.

### 2. Usage:

- When transitioning from carry to combatready position, ensure that the sling is properly adjusted for your body and gear.
- Practice using the sling in a safe environment to familiarize yourself with its operation and adjustments.
- Always maintain awareness of your surroundings while using the sling to ensure safe handling of your weapon.

## **Disposal Instructions**

- Dispose of the sling in accordance with local regulations for textile waste.
- If the sling is damaged beyond repair, ensure that it is cut or altered to prevent reuse.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safer experience with your Padded Vickers Sling. Thank you for your attention to these important guidelines.
