# AR15 Cleaning Kit Safety Instructions

## Introduction

Thank you for choosing the AR15 Cleaning Kit by Birchwood Casey. This comprehensive 22piece cleaning kit is designed to help you maintain your AR15 rifle effectively. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always keep the cleaning kit out of reach of children and pets.
- Use the cleaning kit only for its intended purpose: cleaning and maintaining AR15 rifles.
- Inspect all tools and components for damage before use. Do not use damaged tools.
- Wear safety goggles to protect your eyes from debris when cleaning your firearm.
- Ensure the firearm is unloaded and the chamber is clear before beginning any cleaning procedures.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Avoid using excessive force when cleaning to prevent damage to the firearm or cleaning tools.
- Do not use cleaning solvents or chemicals that are not specifically designed for use with firearms.
- Ensure proper ventilation when using cleaning solvents to avoid inhaling harmful fumes.
- Store cleaning solvents and chemicals in a secure location, away from heat sources and direct sunlight.
- Always follow the manufacturer's instructions for any cleaning products used in conjunction with the kit.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the rifle is unloaded and the chamber is clear.
- Gather all necessary tools from the cleaning kit.

### 2. Cleaning Procedure:

- Attach the custom handle to the brass cleaning rod.
- Select the appropriate brush (bore brush or bolt carrier brush) and attach it to the cleaning rod.
- Insert the brush into the barrel and gently push it through from the chamber to the muzzle.
- Repeat this process as necessary, using the nylon slotted tip for applying cleaning solvent if needed.
- Use the wool star chamber cleaning pads to clean the star chamber area. Insert the pad into the provided connector for ease of use.
- Utilize the cleaning patches to wipe down the barrel and other components, ensuring no residue is left behind.
- Use the straight pick and angled pick for cleaning hardto reach areas.
- Finish by using the selfadhesive magnetic strip to keep small tools organized.

### 3. After Cleaning:

- Inspect all components to ensure they are clean and dry.
- Store the cleaning kit in its custom case to protect the tools and maintain organization.

## **Disposal Instructions**

- Dispose of used cleaning patches, pads, and any other disposable materials in accordance with local regulations.
- Do not dispose of cleaning solvents in regular household waste. Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Cleaning Kit, including safety inquiries or product recalls, please contact the manufacturer or check the EU Safety Gate platform for updates related to this product.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your AR15 Cleaning Kit. Thank you for your attention to safety and proper firearm maintenance.
