SHOTGUN CLEANING KIT SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the Birchwood Casey Shotgun Cleaning Kit. This comprehensive 17piece kit is designed for the maintenance and cleaning of shotguns, ensuring optimal performance and longevity. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the cleaning kit is used only for its intended purpose.
- Keep the kit out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions when using the cleaning tools.
- Inspect all components for damage before use; do not use damaged items.
- Be aware of the potential hazards associated with the cleaning process, including exposure to cleaning solvents and tools.
- Dispose of used cleaning patches and materials responsibly.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Wear safety goggles to protect your eyes from debris and cleaning agents.
 - Use gloves to avoid skin contact with cleaning solvents.
- **Ventilation:**
 - Always use the cleaning kit in a wellventilated area to minimize inhalation of fumes.
- **Handling Cleaning Solvents:**
 - Follow the manufacturer's safety instructions for any cleaning solvents used with the kit.
 - Avoid contact with skin and eyes; wash hands thoroughly after use.
- **Tool Handling:**
 - Use tools only as intended; do not apply excessive force.
 - Keep tools away from children and pets when in use.
- **Storage:**
 - Store the cleaning kit in a dry, secure place, away from direct sunlight and moisture.
 - Ensure the hard shell case is closed when not in use to prevent loss of components.

Instructions for Installation and Usage

1. **Preparation:**
 - Ensure that your shotgun is unloaded before starting the cleaning process.
 - Gather all necessary components from the kit.
2. **Assembling the Cleaning Rod:**
 - Attach the brass cleaning rod to the custom handle.
 - Ensure the locking chuck is secure before use.
3. **Using the Brushes and Mops:**
 - Select the appropriate bore brush for your shotgun gauge (12ga, 20ga, or 28ga).
 - Attach the brush or mop to the cleaning rod.
 - Insert the brush or mop into the shotgun barrel and gently rotate while pulling it through.
4. **Cleaning the Barrel:**
 - Apply a small amount of cleaning solvent to the brush or mop.
 - Use a backandforth motion to clean the interior of the barrel.
 - Repeat as necessary until the barrel is clean.
5. **Finishing Up:**
 - Remove all cleaning tools from the barrel.
 - Wipe down the exterior of the shotgun with a clean, dry cloth.

- Dispose of used cleaning patches and any waste materials according to local regulations.

Disposal Instructions

- Dispose of used cleaning patches, brushes, and any other materials in accordance with local waste disposal regulations.
- Do not dispose of cleaning solvents in regular trash; check local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions, concerns, or to report unsafe products, please reach out to the appropriate authorities or your local consumer safety office.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Birchwood Casey Shotgun Cleaning Kit. Thank you for prioritizing safety and proper maintenance of your firearm.
