# MASTER SCREWDRIVER SET SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MASTER SCREWDRIVER SET by Birchwood Casey. This comprehensive 84piece tool kit is designed for various applications and is equipped with multiple screwdriver types. To ensure your safety and the best possible experience while using this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the tools as intended and according to the manufacturer's instructions.
- Keep the tools out of reach of children and pets.
- Inspect the tools for any damage before use. Do not use damaged tools.
- Store the tools in a dry place to prevent rust and deterioration.
- Use safety goggles and gloves when necessary to protect yourself from debris and sharp edges.
- Be aware of your surroundings and ensure a safe working environment free from hazards.

## Specific Safety Precautions for Use

- **Slotted Screwdrivers:** Ensure the screwdriver fits the slot properly to avoid slipping and damaging the screw or tool.
- **Philips Screwdrivers:** Use the correct size to prevent stripping the screw head.
- **Pozidriv Screwdrivers:** Ensure the driver is aligned properly with the screw to avoid slipping.
- **Torx Screwdrivers:** Make sure to use the correct Torx size to avoid damage to both the screw and the tool.
- **Hex Screwdrivers:** Always use the correct size hex tool to prevent rounding off the screw head.
- **Security Torx:** These are designed for specialized screws. Use them only for their intended purpose.
- **Socket Adapters and Extensions:** Make sure they are securely attached before use to prevent disconnection during operation.
- **Spanner and TriWing Tools:** Ensure proper fit to avoid slipping which could lead to injury.
- When using any screwdriver, apply even pressure and avoid excessive force.

## Instructions for Installation and Usage

### 1. Selecting the Right Tool:

- Choose the appropriate screwdriver based on the type of screw you will be working with.
- Refer to the size markings on the tool for guidance.

### 2. Using the Screwdriver:

- Hold the screwdriver firmly by the handle.
- Align the tip of the screwdriver with the screw head.
- Turn the screwdriver in the appropriate direction (clockwise to tighten, counterclockwise to loosen).
- If resistance is met, stop and reassess the fit rather than applying excessive force.

### 3. Storing the Tools:

- After use, clean the tools to remove any dirt or debris.
- Store the tools in the provided birchwood case to keep them organized and protected.

- Ensure that the case is kept in a safe, dry location.

## **Disposal Instructions**

- When disposing of the MASTER SCREWDRIVER SET, consider recycling options for metal and wood materials.
- Do not dispose of tools in regular household waste.
- Check local regulations for proper disposal methods of tools and materials.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the contact information provided on the product packaging or visit the manufacturer's official website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the MASTER SCREWDRIVER SET. Always prioritize safety and proper usage to maximize the lifespan of your tools. Thank you for your attention to these important guidelines.
