

ARCALOCK UNIVERSAL FLAT RAIL - AREA 419 4" UNIVERSAL ARCALOCK RAIL

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

Enhance Your Precision Shooting With an Improved ARCA Rail

An accessory that's growing popular among shooters in the precision world is the ARCA rail, a sliding handguard that allows users to mount bipods, barricade stops and other accessories on a sliding unit that allows for fast, easy adjustment. However, Area 419 saw an issue with this friction lock, noticing that the system can slide under pressure. The company's ARCALock Universal Flat Rail solves this issue while still providing the benefits of the ARCA mechanism. Each Area 419 ARCALock Universal Flat Rail features a proprietary clamp design that mechanically locks the serrated sides of the rail into place, and the unit is backwards-compatible with all standard ARCA-style accessories on the market. Each edge and corner on the unit is radiused, so there's no way to cut or snag on any side of the rail. The entire unit is machined from 6061-T6 aluminum and features a Type 3 hard-coat anodizing. Area 419 designers initially developed its ARCALock Universal Flat Rail with the Manners Composite Stock in mind, but the unit can be used with a range of stocks with an accessible front-action screw or front-attachment point.

Attributes

- Name: [AREA 419 4" UNIVERSAL ARCALOCK RAIL](#)
- Manufacturer: [AREA 419](#)
- Product no.: 100048040
- Mfr. No.: 419-ALK-UNIV4
- Length: 4
- Material: G10
- Style: M-LOK
- Delivery weight: 0.073kg
- Shipping height: 6mm
- Shipping width: 102mm
- Shipping length: 191mm
- UPC: 850002933741

ARCALOCK UNIVERSAL FLAT RAIL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ARCALOCK Universal Flat Rail by Area 419. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before using the ARCALOCK Universal Flat Rail to ensure a safe and enjoyable experience.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Inspect the ARCALOCK Universal Flat Rail for any damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the ARCALOCK Universal Flat Rail only with compatible accessories to avoid hazards.
- Ensure all components are securely attached and tightened before use.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always check the compatibility of your firearm and accessories with the ARCALOCK Universal Flat Rail.
- Avoid applying excessive force when adjusting or securing accessories to prevent damage or injury.
- Be aware of your surroundings and ensure a safe shooting environment when using the product.
- Wear appropriate safety gear, including eye protection, when using firearms with the ARCALOCK Universal Flat Rail.
- Do not exceed the weight limit specified by the manufacturer for accessories mounted on the rail.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe before installation.
- Clean the mounting area on your stock to ensure a secure fit.
- Align the ARCALOCK Universal Flat Rail with the frontaction screw or attachment point.
- Secure the rail using the proprietary clamp design, ensuring it is tightly locked into place.
- Check that the rail is firmly attached by attempting to move it gently. It should not shift.

2. Usage:

- Attach accessories such as bipods or barricade stops by sliding them onto the rail.
- Adjust accessories as needed for optimal positioning.
- Ensure all accessories are securely fastened before use.
- Regularly inspect the rail and accessories for wear and tear, retightening as necessary.

Disposal Instructions

- Dispose of the ARCALOCK Universal Flat Rail in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum components where facilities are available.

Contact Information for Further Support

For any inquiries regarding safety, usage, or installation of the ARCALOCK Universal Flat Rail, please contact the manufacturer directly. Ensure you have your product details ready for efficient support.

Thank you for your attention to these safety guidelines. Proper use and maintenance of your ARCALOCK Universal Flat Rail will enhance your shooting experience while ensuring safety for you and others.
