

MODULAR ACTION WRENCH HEADS - SHORT ACTION CUSTOMS MODEL 1 WRENCH HEAD - REMINGTON 700

[Gunsmith Tools](#) > [Rifle Tools](#) > [Wrenches](#)

MODULAR ACTION WRENCH HEADS **DO NOT use SAC action wrench head without proper SAC bumpers. Bumpers are only available with the Modular Action Wrench Kit** The SAC Modular Action Wrench Heads are designed to precisely fit your action to ensure proper torque and to protect your action from any damage. Made from 4140 Alloy Steel and heat treated to HRC 32 with a black nitride finish. With a low cost, the action wrench heads are quick and tool-less allowing the end user to have one tool that can work on most actions, without compromise. Actions that do not utilize a counterbore on the barrel face will come with a short front bumper to properly locate it in the action. Simply select the appropriate model number for the action you wish to use. If you do not see your action listed, please contact SAC, they are always developing new action wrench heads and some actions may work with certain models. We will update the list. *** Indicates Right Hand Configuration Only

MODULAR ACTION WRENCH HEADS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MODULAR ACTION WRENCH HEADS from SHORT ACTION CUSTOMS. This guide provides essential safety information and instructions for the proper use of the product. Please read this document carefully to ensure safe and effective operation.

General Safety Guidelines

- Ensure that all users are familiar with the product and its intended use before operation.
- Always use the MODULAR ACTION WRENCH HEADS in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of wear or damage. Do not use if damaged.
- Follow all relevant safety regulations and guidelines when using tools and equipment.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Proper Use:** Only use the MODULAR ACTION WRENCH HEADS with compatible actions as specified in the product description.
- **Use of Bumpers:** DO NOT use the SAC action wrench head without proper SAC bumpers, which are only available with the Modular Action Wrench Kit.
- **Torque Management:** Ensure that the action wrench heads are fitted correctly to prevent slippage and ensure proper torque application.
- **Protective Gear:** Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the tool.
- **Work Environment:** Use the tool in a welllit and stable environment to avoid accidents.
- **Avoid Distractions:** Stay focused while using the tool to prevent injuries.

Instructions for Installation and Usage

1. Select the Appropriate Model:

- Identify the model number that corresponds to your action. Refer to the product description for compatibility.
- If your action is not listed, please contact the manufacturer for guidance.

2. Preparation:

- Ensure that the action is clear of any obstructions and is securely mounted.
- Gather all necessary tools and bumpers before starting the installation.

3. Installation:

- Align the action wrench head with the action.
- Attach the appropriate bumper to the front of the wrench head if required.
- Securely tighten the wrench head to the action using the appropriate torque settings as specified by the action manufacturer.

4. Usage:

- Carefully apply torque as needed, ensuring that the wrench head remains properly aligned with the action.
- Avoid overtightening, which can lead to damage to the action or the wrench head.

5. PostUsage:

- After use, remove the wrench head and clean it to prevent rust and wear.
- Store the tool in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the MODULAR ACTION WRENCH HEADS in accordance with local regulations for metal disposal.
- Do not dispose of the product in regular household waste. Check for recycling options or designated disposal facilities.

Contact Information for Further Support

For any questions, concerns, or further information regarding the MODULAR ACTION WRENCH HEADS, please refer to the manufacturer's website or contact their customer service directly.

By adhering to these safety instructions, you can ensure a safe and effective experience with the MODULAR ACTION WRENCH HEADS. Thank you for your attention to safety and for choosing SHORT ACTION CUSTOMS.
