

MODULAR ACTION WRENCH HEADS - SHORT ACTION CUSTOMS MODEL 3 WRENCH HEAD - ARC MAUSINGFIELD

[Gunsmith Tools](#) > [Rifle Tools](#) > [Wrenches](#)

MODULAR ACTION WRENCH HEADS **DO NOT use SAC action wrench head without proper SAC bumpers. Bumpers are only available with the Modular Action Wrench Kit** The SAC Modular Action Wrench Heads are designed to precisely fit your action to ensure proper torque and to protect your action from any damage. Made from 4140 Alloy Steel and heat treated to HRC 32 with a black nitride finish. With a low cost, the action wrench heads are quick and tool-less allowing the end user to have one tool that can work on most actions, without compromise. Actions that do not utilize a counterbore on the barrel face will come with a short front bumper to properly locate it in the action. Simply select the appropriate model number for the action you wish to use. If you do not see your action listed, please contact SAC, they are always developing new action wrench heads and some actions may work with certain models. We will update the list. *** Indicates Right Hand Configuration Only

Safety Instruction Guide for MODULAR ACTION WRENCH HEADS SHORT ACTION CUSTOMS MODEL 3 WRENCH HEAD ARC MAUSINGFIELD

Introduction

Thank you for choosing the MODULAR ACTION WRENCH HEADS SHORT ACTION CUSTOMS MODEL 3 WRENCH HEAD ARC MAUSINGFIELD. This guide provides important safety information to ensure the safe use of the product. Please read this guide carefully before use to understand the necessary precautions and instructions.

General Safety Guidelines

- Ensure that you are using the wrench head in accordance with the manufacturer's specifications.
- Always use the appropriate bumpers with the SAC action wrench head to prevent damage and ensure safety.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the wrench head for signs of wear or damage before each use.
- Do not use the product if it is damaged or if any parts are missing.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **DO NOT** use the SAC action wrench head without proper SAC bumpers. Bumpers are only available with the Modular Action Wrench Kit.
- Ensure that the action wrench head is compatible with your specific action model. Refer to the model list provided in the product description.
- Actions that do not utilize a counterbore on the barrel face will require a short front bumper to ensure proper alignment.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the wrench head.
- Avoid overtightening the action, as this may lead to damage or injury.
- Ensure that the work area is clear of obstacles and distractions before beginning any work.

Instructions for Installation and Usage

1. **Select the Appropriate Model:** Identify the model number that corresponds to your action as listed in the product description.
2. **Attach the Wrench Head:**
 - Align the wrench head with the action.
 - If necessary, attach the appropriate bumper to ensure a secure fit.
3. **Secure the Action:** Make sure the action is securely held in place to prevent movement during use.
4. **Apply Torque:**
 - Use the wrench head to apply torque to the action as needed.
 - Monitor the torque applied to avoid exceeding recommended limits.
5. **Remove the Wrench Head:** Once the work is complete, carefully remove the wrench head from the action.
6. **Inspect the Wrench Head:** After use, inspect the wrench head for any damage or wear before storing it.

Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MODULAR ACTION WRENCH HEADS SHORT ACTION CUSTOMS MODEL 3 WRENCH HEAD ARC MAUSINGFIELD, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety guidelines. Following these instructions will help ensure a safe and effective experience with your MODULAR ACTION WRENCH HEADS.
