

# NECK/SHOULDER SIZING BUSHINGS - SHORT ACTION CUSTOMS

## 6MM BRA 0.265" SIZING BUSHING

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

The Neck/Shoulder Sizing Bushings from Short Action Customs are made for use in their Modular Sizing Dies. These are cartridge specific sizing bushings that allow you to dial in the correct amount of bump while also fully sizing the neck of the cartridge. These new bushings address the inherent flaws with the old sizing system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 H900 stainless steel, then processed with the same heat treat as the Precision Resizing Dies. These neck/shoulder bushings have an incredibly smooth inside finish paired with an extremely slick external finish from heat treat.

### Attributes

- Name: [SHORT ACTION CUSTOMS 6MM BRA 0.265" SIZING BUSHING](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)
- Product no.: 100050175
- Mfr. No.: SAC-6BRA265
- Diameter (in): .265
- Delivery weight: 0.018kg
- Shipping height: 25mm
- Shipping width: 89mm
- Shipping length: 102mm

# Safety Instruction Guide for NECK/SHOULDER SIZING BUSHINGS SHORT ACTION CUSTOMS 6MM BRA 0.265" SIZING BUSHING

## Introduction

Thank you for choosing the NECK/SHOULDER SIZING BUSHINGS from Short Action Customs. This guide provides important safety information and instructions to ensure the proper and safe use of this product. Please read this guide carefully before using the bushings.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the sizing bushings.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the bushings for any signs of damage or wear before use. Do not use damaged products.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Never exceed the specified diameter when using the sizing bushings.
- Ensure that the sizing bushings are properly installed in the Modular Sizing Dies before use.
- Avoid using excessive force when resizing cartridges to prevent damage to the bushings and the die.
- Do not attempt to modify or alter the sizing bushings in any way.
- Be cautious of sharp edges when handling the bushings to prevent cuts or injuries.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Modular Sizing Die is clean and free of debris.
- Insert the NECK/SHOULDER SIZING BUSHING into the die, ensuring it is seated properly.
- Secure the bushing in place according to the manufacturer's instructions.

### 2. Usage:

- Adjust the die to achieve the desired amount of bump while sizing the neck of the cartridge.
- Place the cartridge into the die and apply a smooth, even pressure to resize.
- Inspect the resized cartridge for proper dimensions and concentricity.

### 3. PostUsage Care:

- Clean the sizing bushings after each use to remove any residue or debris.
- Store the bushings in a dry, safe place to prevent damage.

## Disposal Instructions

- Dispose of any damaged or worn sizing bushings according to local regulations for metal waste.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the NECK/SHOULDER SIZING BUSHINGS, please refer to the manufacturer's website or contact your local distributor.

By following these guidelines, you can ensure a safe and effective experience with your NECK/SHOULDER SIZING BUSHINGS from Short Action Customs. Thank you for your attention to safety.
