

# NECK/SHOULDER SIZING BUSHINGS - SHORT ACTION CUSTOMS

## 6.5MM CREEDMOOR 0.289" SIZING BUSHING

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

The Neck/Shoulder Sizing Bushings from Short Action Customs are made for use in their Modular Sizing Dies. These are cartridge specific sizing bushings that allow you to dial in the correct amount of bump while also fully sizing the neck of the cartridge. These new bushings address the inherent flaws with the old sizing system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 H900 stainless steel, then processed with the same heat treat as the Precision Resizing Dies. These neck/shoulder bushings have an incredibly smooth inside finish paired with an extremely slick external finish from heat treat.

### Attributes

- Name: [SHORT ACTION CUSTOMS 6.5MM CREEDMOOR 0.289" SIZING BUSHING](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)
- Product no.: 100050182
- Mfr. No.: SAC-65CR289
- Diameter (in): .289
- Delivery weight: 0.018kg
- Shipping height: 25mm
- Shipping width: 89mm
- Shipping length: 102mm

# NECK/SHOULDER SIZING BUSHINGS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Neck/Shoulder Sizing Bushings from Short Action Customs. These bushings are designed for use with Modular Sizing Dies and are essential for achieving precise cartridge sizing. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or defects before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The bushings are made of stainless steel and may have sharp edges. Handle with care to avoid cuts.
  - Improper use may lead to inaccurate cartridge sizing, which can affect firearm performance and safety.
- **Avoiding Hazards:**
  - Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushings.
  - Do not exceed the recommended specifications for use. Refer to the product specifications for details.
  - Ensure that the Modular Sizing Dies are properly maintained and in good working condition before use.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that the Modular Sizing Die is clean and free of debris.
  2. Carefully insert the Neck/Shoulder Sizing Bushing into the die.
  3. Secure the bushing in place according to the manufacturer's instructions.
  4. Doublecheck that the bushing is properly seated before proceeding.
- **Usage:**
  1. Prepare your cartridges according to the recommended guidelines.
  2. Insert the cartridge into the Modular Sizing Die with the installed bushing.
  3. Apply consistent pressure to size the cartridge neck while monitoring for any resistance.
  4. Remove the cartridge and inspect it for proper sizing.
  5. Repeat the process as necessary for additional cartridges.

## Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for the stainless steel material if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the Neck/Shoulder Sizing Bushings, please consult the manufacturer's website or contact their support team directly. Ensure to have your product information available for reference.

By adhering to these safety instructions, you can ensure a safe and effective experience with your Neck/Shoulder Sizing Bushings. Thank you for your attention to safety, and enjoy your reloading process!
