

# NECK/SHOULDER SIZING BUSHINGS - SHORT ACTION CUSTOMS

## 6.5MM CREEDMOOR 0.290" SIZING BUSHING

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

The Neck/Shoulder Sizing Bushings from Short Action Customs are made for use in their Modular Sizing Dies. These are cartridge specific sizing bushings that allow you to dial in the correct amount of bump while also fully sizing the neck of the cartridge. These new bushings address the inherent flaws with the old sizing system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 H900 stainless steel, then processed with the same heat treat as the Precision Resizing Dies. These neck/shoulder bushings have an incredibly smooth inside finish paired with an extremely slick external finish from heat treat.

### Attributes

- Name: [SHORT ACTION CUSTOMS 6.5MM CREEDMOOR 0.290" SIZING BUSHING](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)
- Product no.: 100050183
- Mfr. No.: SAC-65CR290
- Diameter (in): .290
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 102mm
- Shipping length: 178mm

# **Safety Instruction Guide for NECK/SHOULDER SIZING BUSHINGS SHORT ACTION CUSTOMS 6.5MM CREEDMOOR 0.290" SIZING BUSHING**

## **Introduction**

Thank you for choosing the NECK/SHOULDER SIZING BUSHINGS from Short Action Customs. This product is designed for use in Modular Sizing Dies and is intended to enhance the precision of your reloading process. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Product Safety: Ensure safe handling and use of the sizing bushings to avoid personal injury and damage to equipment.
- Enhanced Recalls: Stay informed about product recalls and safety notices. If you receive a recall notice, follow the instructions provided.
- Online Shopping: When purchasing online, ensure that the seller complies with safety requirements.
- Special Consumer Focus: Be aware that this product is not intended for use by children. Keep out of reach of minors.
- EU Contact Point: For safety inquiries, refer to the contact information provided on the packaging or the manufacturer's website.
- Rapid Alerts: Check the EU Safety Gate platform regularly for updates on product safety and recalls.

## **Specific Safety Precautions for Use**

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling and using the sizing bushings.
- Inspect the sizing bushings for any signs of damage or wear before use. Do not use damaged bushings.
- Ensure that the Modular Sizing Die is properly secured and stable before installing the sizing bushing.
- Follow the manufacturer's guidelines for the correct installation and adjustment of the sizing bushings.
- Avoid excessive force during installation or adjustment to prevent injury or damage to the product.
- Store the sizing bushings in a safe, dry place when not in use to prevent damage and maintain their effectiveness.

## **Instructions for Installation and Usage**

### **1. Installation of Sizing Bushing:**

- Ensure that the Modular Sizing Die is clean and free of debris.
- Align the sizing bushing with the opening of the die.
- Gently insert the sizing bushing into the die until it is fully seated.
- Secure the bushing in place according to the manufacturer's instructions.

### **2. Using the Sizing Bushing:**

- Set the desired bump amount based on your reloading specifications.
- Insert the cartridge case into the die and operate the press according to the manufacturer's guidelines.
- After sizing, check the cartridge neck for proper fit and concentricity.

### **3. PostUsage:**

- Remove the sizing bushing from the die after use, clean it, and store it properly.
- Inspect the bushing regularly for wear and replace if necessary.

## **Disposal Instructions**

- Dispose of any damaged or worn sizing bushings in accordance with local regulations for metal waste.
- Do not dispose of the product in household waste. Check with local recycling centers for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the NECK/SHOULDER SIZING BUSHINGS, please refer to the contact information provided on the product packaging or visit the manufacturer's website for support.

By following these safety instructions, you can ensure a safe and effective reloading experience with your NECK/SHOULDER SIZING BUSHINGS. Thank you for your attention to these guidelines.
