

NECK/SHOULDER SIZING BUSHINGS - SHORT ACTION CUSTOMS 6MM DASHER 0.265" SIZING BUSHING

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

The Neck/Shoulder Sizing Bushings from Short Action Customs are made for use in their Modular Sizing Dies. These are cartridge specific sizing bushings that allow you to dial in the correct amount of bump while also fully sizing the neck of the cartridge. These new bushings address the inherent flaws with the old sizing system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 H900 stainless steel, then processed with the same heat treat as the Precision Resizing Dies. These neck/shoulder bushings have an incredibly smooth inside finish paired with an extremely slick external finish from heat treat.

Attributes

- Name: [SHORT ACTION CUSTOMS 6MM DASHER 0.265" SIZING BUSHING](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)
- Product no.: 100050187

Safety Instruction Guide for NECK/SHOULDER SIZING BUSHINGS

Introduction

Thank you for choosing the NECK/SHOULDER SIZING BUSHINGS from Short Action Customs. These bushings are designed for use in Modular Sizing Dies and are specifically engineered to enhance the accuracy and performance of your reloading process. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all manufacturer instructions for installation and usage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushings.
- Avoid using the bushings if they show any signs of damage or excessive wear.
- Do not modify the bushings in any way, as this may compromise safety and performance.
- Ensure that your Modular Sizing Die is compatible with the specific sizing bushing you are using.
- Maintain a clean working environment to prevent accidents and ensure proper handling of materials.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for reloading.
- Ensure that your workspace is clean and organized.

2. Installation:

- Carefully remove the sizing bushing from its packaging.
- Inspect the bushing for any visible defects.
- Insert the bushing into the Modular Sizing Die according to the manufacturer's instructions.
- Ensure that the bushing is securely in place before proceeding.

3. Usage:

- Adjust the bushing to achieve the desired amount of bump while sizing the neck of the cartridge.
- Follow the specific reloading procedures for your cartridge type.
- Regularly check the alignment and condition of the bushing during use to maintain accuracy.

4. PostUse:

- After reloading, clean the bushings to remove any debris or residue.
- Store the bushings in a safe, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of bushings in regular household waste if they are made of metal; check for recycling options in your area.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any inquiries regarding product safety or support, please refer to the manufacturer's contact information provided with your product packaging. It is essential to have access to assistance for any safetyrelated questions or concerns.

By following these guidelines, you can ensure a safe and effective reloading experience with the NECK/SHOULDER SIZING BUSHINGS from Short Action Customs. Thank you for your attention to safety!
