

NECK/SHOULDER SIZING BUSHINGS - SHORT ACTION CUSTOMS

6MM BR 0.266" SIZING BUSHING

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

The Neck/Shoulder Sizing Bushings from Short Action Customs are made for use in their Modular Sizing Dies. These are cartridge specific sizing bushings that allow you to dial in the correct amount of bump while also fully sizing the neck of the cartridge. These new bushings address the inherent flaws with the old sizing system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 H900 stainless steel, then processed with the same heat treat as the Precision Resizing Dies. These neck/shoulder bushings have an incredibly smooth inside finish paired with an extremely slick external finish from heat treat.

Attributes

- Name: [SHORT ACTION CUSTOMS 6MM BR 0.266" SIZING BUSHING](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)
- Product no.: 100050191
- Mfr. No.: SAC-6BR266
- Diameter (in): .266
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 102mm
- Shipping length: 178mm

NECK/SHOULDER SIZING BUSHINGS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Neck/Shoulder Sizing Bushings from Short Action Customs. These bushings are designed to enhance your reloading process by providing precise sizing for your cartridges. This guide outlines essential safety instructions and best practices to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always inspect the Neck/Shoulder Sizing Bushings before use for any signs of damage or wear.
- Use the bushings only with compatible Modular Sizing Dies from Short Action Customs.
- Keep the bushings out of reach of children and pets to prevent accidents.
- Follow all manufacturer instructions for safe operation and maintenance.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that your work area is clean and welllit to avoid accidents during the reloading process.
- Wear appropriate safety gear, including safety glasses and gloves, to protect yourself from potential hazards.
- Do not exceed the recommended specifications for cartridge sizing as indicated by the manufacturer.
- Avoid using the bushings with damaged or improperly maintained equipment.
- Do not attempt to modify the bushings or use them for unintended purposes.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the Modular Sizing Die and the Neck/Shoulder Sizing Bushing.
- Ensure that your work area is organized and free from distractions.

2. Installation:

- Remove the Modular Sizing Die from your reloading press.
- Insert the Neck/Shoulder Sizing Bushing into the die, ensuring it is seated properly.
- Secure the die back onto the reloading press according to the manufacturer's instructions.

3. Usage:

- Adjust the bushing to achieve the desired amount of bump for the cartridge.
- Insert the cartridge into the die and operate the press according to the manufacturer's guidelines.
- Periodically check the neck runout and concentricity of your cartridges to ensure optimal performance.

4. PostUse Care:

- Clean the bushings after each use to remove any debris or residue.
- Store the bushings in a dry, safe place to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste if they are made from materials that require special handling.
- Check with local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Neck/Shoulder Sizing Bushings, please refer to the manufacturer's website or contact their customer service department. They will provide you with the necessary assistance and support.

By following these safety instructions, you can ensure a safe and effective reloading experience with the Neck/Shoulder Sizing Bushings from Short Action Customs. Thank you for prioritizing safety in your reloading practices.
