

NECK/SHOULDER SIZING BUSHINGS - SHORT ACTION CUSTOMS 308 WINCHESTER 0.335" SIZING BUSHING

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

The Neck/Shoulder Sizing Bushings from Short Action Customs are made for use in their Modular Sizing Dies. These are cartridge specific sizing bushings that allow you to dial in the correct amount of bump while also fully sizing the neck of the cartridge. These new bushings address the inherent flaws with the old sizing system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 H900 stainless steel, then processed with the same heat treat as the Precision Resizing Dies. These neck/shoulder bushings have an incredibly smooth inside finish paired with an extremely slick external finish from heat treat.

Attributes

- Name: [SHORT ACTION CUSTOMS 308 WINCHESTER 0.335" SIZING BUSHING](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)
- Product no.: 100050201
- Mfr. No.: SAC-308W335
- Diameter (in): .335
- Delivery weight: 0.008kg
- Shipping height: 25mm
- Shipping width: 95mm
- Shipping length: 102mm

Safety Instruction Guide for NECK/SHOULDER SIZING BUSHINGS

Introduction

Thank you for choosing the NECK/SHOULDER SIZING BUSHINGS from Short Action Customs. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the sizing bushings.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or defects before use.
- Do not use the product if it is damaged or shows signs of wear.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe product conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when handling the sizing bushings.
- Ensure that the Modular Sizing Die is securely mounted before attempting to use the sizing bushings.
- Avoid applying excessive force during the sizing process to prevent damage to the bushings or the die.
- Be aware of your surroundings and ensure that your workspace is clean and free of hazards.
- If you are unfamiliar with the use of reloading equipment, seek guidance from an experienced individual or consult instructional materials.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials, including the Modular Sizing Die and the NECK/SHOULDER SIZING BUSHINGS.
- Ensure your work area is clean and organized.

2. Installation of Sizing Bushing

- Remove the Modular Sizing Die from the reloading press.
- Carefully insert the NECK/SHOULDER SIZING BUSHING into the die.
- Ensure that the bushing is seated properly and securely within the die.

3. Adjusting the Sizing Bushing

- Adjust the bushing to achieve the desired neck sizing parameters.
- Refer to the manufacturer's specifications for guidance on adjustments.

4. Using the Sizing Bushings

- Reattach the Modular Sizing Die to the reloading press.
- Insert the cartridge case into the die and apply a smooth, consistent motion to size the neck.
- Monitor the process to ensure that the sizing is uniform and effective.

5. PostUse Care

- After use, remove the sizing bushing from the die and clean it thoroughly to prevent buildup of debris.
- Store the sizing bushings in a safe and dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the NECK/SHOULDER SIZING BUSHINGS, please contact the manufacturer or your local distributor for assistance.

Thank you for your attention to these safety instructions. Your safety and the effectiveness of your reloading process depend on your adherence to these guidelines.
