

# NECK/SHOULDER SIZING BUSHINGS - SHORT ACTION CUSTOMS

## 308 WINCHESTER 0.336" SIZING BUSHING

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

The Neck/Shoulder Sizing Bushings from Short Action Customs are made for use in their Modular Sizing Dies. These are cartridge specific sizing bushings that allow you to dial in the correct amount of bump while also fully sizing the neck of the cartridge. These new bushings address the inherent flaws with the old sizing system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 H900 stainless steel, then processed with the same heat treat as the Precision Resizing Dies. These neck/shoulder bushings have an incredibly smooth inside finish paired with an extremely slick external finish from heat treat.

### Attributes

- Name: [SHORT ACTION CUSTOMS 308 WINCHESTER 0.336" SIZING BUSHING](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)

# **Safety Instruction Guide for NECK/SHOULDER SIZING BUSHINGS SHORT ACTION CUSTOMS 308 WINCHESTER 0.336" SIZING BUSHING**

## **Introduction**

Thank you for choosing the NECK/SHOULDER SIZING BUSHINGS from Short Action Customs. This product is designed to enhance your reloading experience by providing precise neck sizing for your cartridges. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## **General Safety Guidelines**

- Product Safety: This product is designed to be safe for use when handled correctly. Always follow the usage instructions to minimize risks.
- Enhanced Recalls: In the event of a safety issue, recall notices will be provided. Ensure you stay informed about any updates regarding your product.
- Online Shopping: If purchased online, ensure that the seller meets all safety requirements.
- Special Consumer Focus: This product is intended for adult use only. Keep out of reach of children.
- EU Contact Point: For safety inquiries, please contact the manufacturer or retailer where the product was purchased.
- Rapid Alerts: Stay updated on product recalls and safety alerts through the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Ensure the work area is clean and free from clutter to prevent accidents.
- Do not exceed the recommended specifications for the sizing bushings to avoid damage to your equipment or cartridges.
- Inspect the sizing bushings for any signs of wear or damage before each use. Do not use if damaged.
- Keep the sizing bushings away from heat sources and direct sunlight to prevent degradation of materials.

## **Instructions for Installation and Usage**

### **• Installation:**

1. Ensure your Modular Sizing Die is clean and free of debris.
2. Select the appropriate NECK/SHOULDER SIZING BUSHING for your cartridge.
3. Insert the sizing bushing into the die, ensuring it is seated correctly.
4. Secure the bushing in place according to the die manufacturer's instructions.

### **• Usage:**

1. Prepare your brass cartridges by cleaning and inspecting them for defects.
2. Adjust the die to achieve the desired neck sizing and bump according to your reloading specifications.
3. Insert the cartridge into the die and apply even pressure to size the neck.
4. Remove the cartridge and check for proper sizing. Repeat as necessary until the desired fit is achieved.

## **Disposal Instructions**

- Dispose of any damaged or worn sizing bushings according to local regulations.
- Do not dispose of sizing bushings in regular household waste. Check for recycling options in your area.
- Ensure that all packaging materials are disposed of responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the NECK/SHOULDER SIZING BUSHINGS or to report any safety issues, please reach out to the retailer or manufacturer from whom you purchased the product. They will provide you with the necessary assistance and information.

By following these safety instructions, you can ensure a safe and effective reloading experience with your NECK/SHOULDER SIZING BUSHINGS. Thank you for prioritizing safety in your reloading activities.
