

M5 OBERNDORF BOTTOM METALS - HAWKINS PRECISION M5 OBERNDORF BOTTOM METAL LONG ACTION

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

Hawkins Precision M5 Oberndorf bottom metals are born from our famous Oberndorf bottom metal, with one exception, they fit a standard M5 inlet. This bottom metal is precision CNC machined, lightweight and is designed for Wyatt extended length box magazines. They feature a reversible and adjustable mag/floorplate catch, and have a thicker floorplate that provides less spring pressure and added reliability when loading 3 Ultra mag cartridges. These are the perfect pairing for your M5 inletted hunting stock. Available for Remington 700 (and REM 700 clone) actions in short and long action cut for a Wyatt box mag. Verify your action is cut for a Wyatt's Outdoors Extended Box. Contact the manufacturer.

M5 Oberndorf Bottom Metals Safety Instructions

Introduction

Thank you for choosing the Hawkins Precision M5 Oberndorf Bottom Metal for your firearm. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or installing the bottom metal.
- Use protective eyewear when handling tools and during installation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the bottom metal for signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and safety.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunctions.
- Using incompatible magazines can cause feeding issues.

• Avoiding Hazards:

- Ensure that your action is cut for a Wyatt's Outdoors Extended Box before installation.
- Do not force the bottom metal into the action; it should fit smoothly.
- Always verify that the magazine is properly seated before use.
- If you experience any issues, cease use immediately and consult a qualified gunsmith.

• Age and Audience Specific Warnings:

- This product is intended for adult users only. Keep it away from children and inexperienced users.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools: screwdriver, Allen wrenches, and any other tools specified in the product manual.
- Ensure that your workspace is clean and free of distractions.

2. Installation Steps:

- Ensure the firearm is unloaded.
- Remove the existing bottom metal if applicable.
- Align the Hawkins Precision M5 Oberndorf Bottom Metal with the action.
- Secure it using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Install the Wyatt extended length box magazine according to the manufacturer's instructions.

3. Usage:

- Load the magazine with compatible cartridges.

- Insert the magazine into the bottom metal until you hear a click, indicating it is securely locked.
- Perform a function check to ensure proper operation before heading to the range.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the bottom metal is damaged or no longer in use, consider recycling it where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or support regarding this product, please refer to the manufacturer's contact details found on their official website or product documentation. Always ensure you are reaching out to an authorized representative for assistance.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your shooting experience with confidence!
