[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

HAWKINS PRECISION REMINGTON 700 M5 DBM BOTTOM METALS Hawkins Precision M5 Detachable Box Magazine Rifle Bottom Metal is designed specifically for precision shooting. CNC-machined from a single piece of billet aluminum, this precision rifle bottom metal incorporates a barricade stop in front of the magazine well, and has a drafted magazine port. Our M5 DBM also includes a patented cantilever spring release that will not open under recoil. The M5 DBM is also available with a forward Picatinny rail attachment to attach a bipod, barricade stop, or tripod providing solution to create a stable shooting position in any environment. Comes with pillar and action screws. Fits Remington 700 and Remington Clone actions. SKU 100050298 (308 Winchester) Works with Short Action AICS Magazines 5-Round SKU 100005887 or 10-Round 100005888 SKU 100050296 (300 Winchester Magnum) Works with 3.715" Long Action AICS Magazine: SKU 100008956

# Consumer Safety Instruction Guide for REMINGTON 700 M5 DBM BOTTOM METALS

## Introduction

Thank you for choosing the REMINGTON 700 M5 DBM BOTTOM METALS by Hawkins Precision. This product is designed to enhance your precision shooting experience. To ensure your safety and the safe use of this product, please read and follow the guidelines provided in this document.

## General Safety Guidelines

- Always use this product in accordance with the manufacturer's instructions.
- Ensure that you are in a safe shooting environment, free from bystanders and obstacles.
- Regularly inspect the product for any signs of wear or damage before use.
- Store the product in a secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching the bottom metal.
- Do not use the product with Hawkins Precision Hunter magazines.
- Be aware that the cantilever spring release mechanism may not function as intended if subjected to excessive force.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Always wear appropriate eye and ear protection while shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your workspace is clean and free of distractions.
- Unload your Remington 700 rifle completely.
- Remove the existing bottom metal from your rifle by unscrewing the action screws.
- Align the Hawkins Precision M5 DBM with the magazine well and attach it securely using the provided pillar and action screws.
- If using a forward Picatinny rail attachment, follow the specific instructions provided with the rail.

### 2. Usage:

- Load the AICS magazines into the M5 DBM, ensuring they are seated properly.
- Check that the barricade stop is correctly positioned before shooting.
- When shooting, maintain a stable shooting position to minimize recoil impact on the bottom metal.
- After use, remove the magazine and ensure the rifle is unloaded before storing.

## Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- If the product is damaged or no longer usable, contact your local waste management service for proper disposal options.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the REMINGTON 700 M5 DBM BOTTOM METALS, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy your shooting experience with the REMINGTON 700 M5 DBM BOTTOM METALS.
