# Consumer Safety Instruction Guide for REMINGTON 700 M5 DBM Bottom Metals

## Introduction

Thank you for choosing the REMINGTON 700 M5 DBM Bottom Metals by Hawkins Precision. This product is designed for precision shooting and is built to enhance the performance of your rifle. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** Ensure that you understand the safety features and potential risks associated with the product. This product is designed to meet safety standards but requires responsible use.
- **Enhanced Recalls:** Be aware that in the event of a safety recall, you will be notified through standardized notices. Always check for updates regarding product recalls.
- **Online Shopping Safety:** If purchased online, ensure that the seller meets all safety requirements. Verify the authenticity of the seller and the product.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU-based contact point.
- **Rapid Alerts:** Stay informed about any safety updates or alerts regarding this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual before using the product.
- **Inspect Before Use:** Check the bottom metal for any signs of damage or wear before installation. Do not use if damaged.
- **Proper Handling:** Handle the product with care to avoid injury. Use appropriate protective gear when installing or adjusting.
- **Avoid Overloading:** Do not overload the magazine beyond its specified capacity. This can lead to malfunctions and potential hazards.
- **Recoil Management:** Be aware that the patented cantilever spring release is designed to withstand recoil. Ensure proper mounting to prevent accidental opening.
- **Use Compatible Magazines:** Only use regular AICS magazines, CIP+, M5DBD, with a maximum external length of 3.850. Do not use Hawkins Precision Hunter magazines.
- **Shooting Environment:** Ensure a stable shooting position when using the product. Utilize the Picatinny rail attachment for stability when necessary.
- **Safe Storage:** Store the product in a safe location when not in use. Ensure it is secured to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have all necessary tools and components before starting the installation.
- Remove the action screws from your Remington 700 or compatible action.
- Align the M5 DBM Bottom Metal with the magazine well and secure it using the provided pillar and action screws.
- Ensure that the barricade stop is positioned correctly in front of the magazine well.

### 2. Usage:

- Load the magazine according to the manufacturer's specifications, ensuring not to exceed the maximum capacity.
- Insert the loaded magazine into the M5 DBM Bottom Metal until you hear a click indicating it is secured.
- To release the magazine, press the cantilever spring release and pull the magazine out gently.
- Always ensure that your firearm is pointed in a safe direction when loading or unloading.

### 3. PostUsage Care:

- After use, clean the bottom metal and magazine to prevent buildup of dirt and debris.
- Store the product in a dry and secure location.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding metal recycling and hazardous waste.
- **Do Not Disassemble:** Do not attempt to disassemble the bottom metal for disposal. Contact local recycling centers for guidance on proper disposal methods.

## Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please refer to the appropriate EUbased contact point. Always ensure that you are using the product in compliance with local laws and regulations.

By following these guidelines, you can ensure a safe and enjoyable experience with your REMINGTON 700 M5 DBM Bottom Metals. Thank you for your attention to these important safety instructions.
