

# **HUNTER DBM BOTTOM METALS - HAWKINS PRECISION HUNTER DBM BOTTOM METAL LONG ACTION**

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

The Hunter Detachable Box Magazine (DBM) bottom metal is designed for shooters that are looking for a flush mounted bottom metal that will accept flush magazines. The DBM is machined from a single piece of billet 6061 and features a patented cantilever spring release that will not open under heavy recoil. The magazine release is also adjustable, sleek and all but impossible to actuate accidentally. Long Action Hunter DBMs require gunsmithing in factory length factory Remington 700 actions and Zermatt Origins to accommodate the magazine COAL. The Hunter DBM is made to fit into an M5 inlet. It is available for Remington 700 actions, and all Remington 700 clones. Comes with pillars and action screws. / Long Action Magazine Compatibility: Hawkins Flush Hunter Magazines (will not work with CIP length AICS, MDT, or Accurate magazines) / Short Action Magazine Compatibility: Hawkins Flush Hunter Magazines / AICS 5 and 10 round 308 (3901 - 5 Round / 3902 - 10 Round

# **HUNTER DBM BOTTOM METALS HAWKINS PRECISION HUNTER DBM BOTTOM METAL LONG ACTION Safety Instruction Guide**

## **Introduction**

Thank you for choosing the Hunter DBM Bottom Metal. This product is designed to enhance your shooting experience while ensuring safety and reliability. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of the Hunter DBM Bottom Metal.

## **General Safety Guidelines**

- Ensure that the product is installed by a qualified gunsmith to avoid any potential hazards.
- Always handle firearms and accessories with care, following all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

### **• Installation Precautions:**

- Ensure that the firearm is unloaded before installation.
- Use appropriate tools and follow the manufacturer's instructions carefully.
- If unsure about the installation process, consult a qualified gunsmith.

### **• Usage Precautions:**

- Always use the product with compatible magazines (Hawkins Flush Hunter Magazines).
- Avoid using the product with incompatible magazines (e.g., CIP length AICS, MDT, or Accurate magazines) as this may lead to malfunction.
- Be aware of the magazine release mechanism; it is designed to be adjustable and should not be actuated accidentally.

### **• Storage Precautions:**

- Store the product in a secure location to prevent unauthorized access.
- Keep the product clean and free from debris to ensure proper functionality.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Verify that the firearm is unloaded and pointed in a safe direction.
- Remove the existing bottom metal from the firearm.
- Align the Hunter DBM Bottom Metal with the M5 inlet on the firearm.
- Securely attach the bottom metal using the provided pillars and action screws.
- Ensure that the installation is tight and there are no loose parts.

### **2. Usage:**

- Insert a compatible Hawkins Flush Hunter Magazine into the bottom metal.

- Ensure that the magazine is fully seated and locked in place.
- To release the magazine, press the magazine release button carefully while ensuring that the firearm is pointed in a safe direction.
- Regularly check the magazine release mechanism for proper functionality.

### **3. PostUse:**

- After use, clean the product and store it in a safe location.
- Inspect the product for any signs of damage or wear.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer functional, do not attempt to repair it; consider recycling or disposing of it safely.
- Ensure that any hazardous materials are disposed of in compliance with environmental regulations.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or contact their customer service department.

Thank you for prioritizing safety while using the Hunter DBM Bottom Metal. Your careful attention to these guidelines will help ensure a safe and enjoyable shooting experience.
