

HUNTER MAGAZINES - HAWKINS PRECISION HUNTER MAGAZINE SHORT ACTION MAGNUM 3 ROUNDS

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The Hawkins Precision Hunter Magazine is the answer for shooters wanting run magazines in their hunting rifles without sacrificing COAL in their rounds. These flush magazines are specifically designed to be used in our Hunter DBM and give hunters additional magazine space for longer bullets/calibers. Their flush design also will not snag on branches or brush, and make it easy to load and unload rifles quickly. Hawkins Precision Hunter Magazines are made from a single piece of billet aluminum. Made specifically for the Hawkins Precision Hunter M5 DBM Short Action Standard magazine holds 4 rounds (~2.880" Internal length) Short Action Magnum magazine holds 3 rounds (~2.980" Internal length) / Long Action magazines hold 3 rounds (~3.770" internal length) Long Actions are designed to be run with Beltless magnum cases. May not feed optimally with belted mags Long Action Hunter DBMs require gunsmithing in factory length factory Remington 700 actions and Zermatt Origins to accommodate the magazine COAL.

Safety Instruction Guide for HUNTER MAGAZINES HAWKINS PRECISION HUNTER MAGAZINE SHORT ACTION MAGNUM 3 ROUNDS

Introduction

Thank you for choosing the Hawkins Precision Hunter Magazine. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your magazine. Please read this manual thoroughly before using the product.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always handle firearms and magazines with care, treating them as if they are loaded.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Compatibility:** Use only with firearms designed for the Hawkins Precision Hunter M5 DBM Short Action.
- **Loading:** Load rounds carefully and ensure they are seated properly in the magazine.
- **Unloading:** Always point the firearm in a safe direction when unloading the magazine.
- **Environment:** Avoid using the magazine in wet or muddy conditions to prevent damage.
- **Maintenance:** Regularly clean the magazine to ensure reliable performance. Use a soft cloth and appropriate cleaning solutions.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks.

2. Usage:

- To load the magazine, insert rounds one at a time, ensuring they are seated correctly.
- To remove the magazine, press the release button and pull the magazine out of the well.
- Always check the magazine capacity and do not exceed the specified number of rounds.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond use, contact your local waste management service for guidance on proper disposal methods.

Contact Information for Further Support

For safety inquiries or support, please reach out to the designated EU contact point for this product. Ensure you have your product details ready for reference.

By following these guidelines, you can help ensure a safe and enjoyable experience with your Hawkins Precision Hunter Magazine. Thank you for your attention to safety!
