Safety Instruction Guide for .920 BULL THREAD PROTECTOR 5/824

Introduction

Thank you for choosing the .920 BULL THREAD PROTECTOR manufactured by YANKEE HILL MACHINE CO., INC. This guide provides essential safety instructions to ensure safe and effective use of your thread protector. Please read this guide carefully before installation and usage.

General Safety Guidelines

To ensure the safe use of the .920 BULL THREAD PROTECTOR, please adhere to the following guidelines:

- Always inspect the product for any visible damage before use.
- Ensure that the thread protector is compatible with your rifle's muzzle threads (5/824).
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Check the EU's Safety Gate platform for any recall updates regarding this product.

Specific Safety Precautions for Use

When using the .920 BULL THREAD PROTECTOR, please consider the following safety precautions:

- Ensure that your rifle is unloaded and pointed in a safe direction before installation.
- Avoid using excessive force when installing or removing the thread protector to prevent damage.
- Use the knurled exterior to maintain a firm grip, ensuring safe installation and removal.
- Do not attempt to modify or alter the thread protector in any way.
- If you experience difficulty installing or removing the thread protector, seek assistance rather than forcing it.

Instructions for Installation and Usage

Follow these steps for the proper installation and use of the .920 BULL THREAD PROTECTOR:

1. Preparation:

- Ensure your rifle is unloaded.
- Clean the muzzle threads to remove any debris or dirt.

2. Installation:

- Align the thread protector with the muzzle threads.
- Hand tighten the protector by turning it clockwise until it is snug. Do not overtighten.
- Verify that the protector is securely in place.

3. Removal:

- To remove the thread protector, grasp the knurled exterior firmly.
- Turn the protector counterclockwise until it is loose.
- Remove the protector completely and store it in a safe place.

Disposal Instructions

When disposing of the .920 BULL THREAD PROTECTOR, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- Do not throw the product in regular household waste.
- Consider recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the .920 BULL THREAD PROTECTOR, please contact the manufacturer directly. Ensure you have the product information ready when reaching out for assistance.

Thank you for your attention to these safety instructions. Enjoy safe and responsible use of your .920 BULL THREAD PROTECTOR.
