MR7 M'LOK Handguards Safety Instruction Guide

Introduction

Thank you for choosing the MR7 M'LOK Handguard by Yankee Hill Machine Co., Inc. This guide provides essential safety instructions and installation procedures to ensure the safe use of your handguard. Please read all instructions carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations.
- Always handle the handguard with care to avoid injury.
- Inspect the handguard and all components for damage before installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for accessories mounted on the handguard.
- Ensure all accessories are securely attached to prevent them from coming loose during use.
- Avoid using the handguard in environments that may expose it to extreme temperatures or corrosive substances.
- Always wear appropriate safety gear when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components, including the MidLength M'LOK® Handguard, Barrel Nut, Jam Nut, AntiRotation Screws, and Installation Instructions.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.

2. Installation Steps

- Remove the existing handguard from your AR15 following the manufacturer's instructions.
- Install the Barrel Nut onto the upper receiver and tighten according to the specified torque settings.
- Place the MR7 Handguard over the Barrel Nut and align it properly.
- Secure the handguard using the Jam Nut and AntiRotation Screws as per the installation instructions provided.
- Doublecheck all screws and nuts for tightness before finalizing the installation.

3. Usage

- Ensure that the handguard is securely attached before using the firearm.
- Regularly check the tightness of screws and nuts during use, especially after extended shooting sessions.
- Follow all firearm safety practices while using the handguard.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the handguard in regular household waste.

- Consider recycling the aluminum material if possible.

Contact Information for Further Support

For any safety inquiries or support related to the MR7 M'LOK Handguard, please refer to the contact points provided by the manufacturer. Ensure to have your product details ready for efficient assistance.

Thank you for your attention to these safety instructions. Enjoy your new MR7 M'LOK Handguard responsibly and safely.
