Drop-In Handguards for AK Platforms

The AK Drop-In Handguards M-LOK from Midwest Industries offers a drop-in handguard solution for multiple AK rifle models. The handguards are available in three configurations; the 6" universal for standard stamped AK pattern rifles, the 6.5" Yugo M70, and the 6" Yugo M92/M85. The Midwest Industries AK Drop-In Handguards M-LOK are constructed from 6061 aluminum with a black hardcoat anodized finish. The 6" variants weight just 4.5 ounces, while the 6.5" M70 configuration weighs 4.8 ounces. Compatible with railed gas tubes 100% made in the USA 922R Compliant The AK Drop-In Handguards M-LOK offer a solid lockup without requiring the firearm to be permanently altered. Minor fitting allows the handguards to be installed in just a matter of minutes, so you are ready to outfit that AK-platform rifle with all the accessories you want or need, courtesy of the three sides of useable M-LOK slots and two anti-rotation QD sling swivel sockets.

AK DropIn Handguards MLOK Safety Instruction Guide

Introduction

Thank you for choosing the AK DropIn Handguards MLOK from Midwest Industries. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new handguards. Please read this document carefully before use.

General Safety Guidelines

- **Product Safety:** The AK DropIn Handguards MLOK are designed to provide a safe and reliable option for enhancing your AK rifle. Always ensure that your firearm is in good working condition before installation.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, please follow the instructions provided for safe return or remedy.
- **Online Shopping:** When purchasing online, ensure that you buy from reputable sources that comply with safety regulations.
- **Special Consumer Focus:** This product is intended for adults. Keep it out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer or your point of purchase.
- **Rapid Alerts:** Monitor updates on product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and the safety is engaged.
- Inspect the handguards for any visible damage before use.
- Do not modify the handguards in any way, as this may compromise safety.
- When using the MLOK slots, ensure that accessories are securely attached to prevent accidental detachment.
- Always wear appropriate safety gear when handling firearms, including eye protection.

Instructions for Installation and Usage

1. Preparation:

- Ensure your AK rifle is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as an Allen wrench (if required).

2. Installation Steps:

- Remove the existing handguard from your AK rifle according to the manufacturer's instructions.
- Align the AK DropIn Handguards MLOK with the rifle's gas tube and ensure a proper fit.
- Gently push the handguards into place until they lock securely.
- Check for any movement or looseness; the handguards should be firmly in place.
- If necessary, perform minor fitting to ensure a snug fit, but avoid excessive force.

3. Usage:

- Once installed, you can attach accessories using the MLOK slots.
- Ensure that all accessories are compatible with MLOK specifications.
- Regularly check the tightness of accessories and handguards during use.

Disposal Instructions

- When disposing of the handguards, follow local regulations for aluminum recycling.
- Do not dispose of the handguards in regular household waste.
- Ensure that any accessories attached to the handguards are also disposed of properly.
