## Drop-In Handguards for AK Platforms

The AK Drop-In Handguards M-LOK from Midwest Industries offers a drop-in handguard solution for multiple AK rifle models. The handguards are available in three configurations; the 6" universal for standard stamped AK pattern rifles, the 6.5" Yugo M70, and the 6" Yugo M92/M85. The Midwest Industries AK Drop-In Handguards M-LOK are constructed from 6061 aluminum with a black hardcoat anodized finish. The 6" variants weight just 4.5 ounces, while the 6.5" M70 configuration weighs 4.8 ounces. Compatible with railed gas tubes 100% made in the USA 922R Compliant The AK Drop-In Handguards M-LOK offer a solid lockup without requiring the firearm to be permanently altered. Minor fitting allows the handguards to be installed in just a matter of minutes, so you are ready to outfit that AK-platform rifle with all the accessories you want or need, courtesy of the three sides of useable M-LOK slots and two anti-rotation QD sling swivel sockets.

# AK DropIn Handguards MLOK Safety Instructions

## Introduction

Thank you for choosing the AK DropIn Handguards MLOK from Midwest Industries. This guide provides important safety information and instructions to ensure the safe and effective use of your handguards. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is compatible with your specific AK rifle model.
- Inspect the handguards for any damage before installation.
- Follow all local laws and regulations regarding firearm modifications.
- Keep the handguards and all firearm accessories out of reach of children and unauthorized users.
- Always handle firearms responsibly and ensure they are unloaded when installing or adjusting accessories.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure the firearm is completely unloaded before installation.
- Wear safety goggles to protect your eyes during installation.
- Do not force the handguards into place; minor fitting may be required for proper installation.

### • Usage Precautions:

- Regularly check the handguards for wear and tear.
- Ensure that all accessories attached to the handguards are securely fastened.
- Do not exceed the weight limit of the handguards when adding accessories.

### • Storage Precautions:

- Store the firearm and handguards in a secure location to prevent unauthorized access.
- Keep the handguards dry and free from excessive moisture to prevent corrosion.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools (if any) for installation.
- Ensure that the firearm is unloaded and placed on a stable surface.

### 2. Installation Steps:

- Remove the existing handguard from your AK rifle according to the manufacturer's instructions.
- Align the AK DropIn Handguards MLOK with the gas tube and receiver.
- Slide the handguards into place, ensuring a snug fit without forcing them.
- If minor fitting is required, use appropriate tools to adjust the fit.
- Secure the handguards in place, following the specific instructions provided with your product.

### 3. Usage:

- After installation, check that the handguards are securely attached.
- Utilize the MLOK slots and antirotation QD sling swivel sockets as needed for your accessories.
- Regularly inspect the handguards and accessories for any signs of damage or wear.

## **Disposal Instructions**

- Dispose of the handguards responsibly at a designated recycling facility.
- Follow local regulations for the disposal of aluminum products.
- Do not dispose of the handguards in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the AK DropIn Handguards MLOK, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details ready for any inquiries.

By following these safety instructions, you can ensure the safe and effective use of your AK DropIn Handguards MLOK. Thank you for your attention to safety.
