# Safety Instruction Guide for AR15 G4 Handguards MLOK

## Introduction

Thank you for choosing the Midwest Industries AR15 G4 Handguard with MLOK. This product is designed to enhance the functionality of your AR platform while ensuring safety during use. Please read this safety instruction guide carefully to ensure proper installation and usage. Adhering to these guidelines will help you avoid hazards and maximize the benefits of your handguard.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the handguard.
- Familiarize yourself with the features and specifications of the handguard before use.
- Inspect the handguard for any damage before installation. Do not use if damaged.
- Keep the handguard and accessories out of reach of children and unauthorized users.
- Always wear appropriate protective gear when handling firearms.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay updated on recall information by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure proper installation to prevent the handguard from loosening during use.
- Do not exceed the weight limit for accessories mounted on the handguard.
- Regularly check the handguard and accessories for wear and tear.
- Use only compatible accessories with MLOK and Picatinny systems.
- Avoid using the handguard in extreme temperatures or conditions unless specified.
- Be aware of the potential for sharp edges during installation and use. Handle with care.
- If you are inexperienced with firearm modifications, seek assistance from a qualified professional.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, including a torque wrench and appropriate size Allen keys.

#### 2. Remove Existing Handguard:

- Loosen and remove the existing handguard according to the manufacturer's instructions.

#### 3. Install the Barrel Nut:

- Install the heat-treated barrel nut onto the barrel. Ensure it is properly aligned.
- Use a torque wrench to tighten the barrel nut to the manufacturer's specifications.

#### 4. Attach the Handguard:

- Slide the AR15 G4 Handguard onto the barrel nut.
- Align the handguard with the upper receiver and ensure it is securely in place.

## **5. Secure the Handguard:**

- Use the provided torque plate and screws to secure the handguard.
- Tighten according to the manufacturer's specified torque settings.

## **6. Check Stability:**

- Once installed, check the stability of the handguard by applying gentle pressure.
- Ensure it does not shift or move. If it does, recheck your installation.

## **Usage Instructions**

- After installation, familiarize yourself with the handguard's features, including the MLOK slots and Picatinny rail.
- Attach accessories as needed, ensuring they are securely fastened.
- Always perform a function check of your firearm after modifications to ensure everything operates correctly.

## **Disposal Instructions**

- Dispose of any packaging material responsibly by recycling where possible.
- If the handguard needs to be disposed of, follow local regulations for disposal of aluminum products.
- Do not discard in regular household waste.

## **Contact Information for Further Support**

For any further inquiries regarding safety, installation, or usage of the AR15 G4 Handguard, please refer to the manufacturer's website or contact their customer service for assistance. Ensure you have the product information handy when seeking support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Midwest Industries AR15 G4 Handguard. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
