Safety Instruction Guide for BENCH PLATE STEEL BASE BLANK LEE PRECISION STEEL BASE BLOCK

Introduction

Thank you for choosing the Lee Precision Steel Bench Block. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always ensure that the work area is clean, dry, and welllit.
- Use the product only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Do not modify or alter the product in any way.
- If you encounter any issues during use, cease operation immediately and consult the manufacturer.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the bench block.
- Ensure that the bench block is securely mounted to a stable surface before use.
- Keep hands and other body parts clear of moving parts during operation.
- Avoid using excessive force when using tools with the bench block to prevent injury.
- Be cautious of sharp edges and corners on the product.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the bench block from its packaging. Check for any visible damage or missing parts.
2. **Mounting:**
 - Choose a stable and flat work surface for mounting.
 - Use the provided mounting holes to secure the bench block in place.
 - Ensure that all screws and hardware are tightened properly.
3. **Using the Bench Block:**
 - Place the item you are working on securely against the bench block.
 - Use appropriate tools as needed, ensuring they are suitable for the task at hand.
 - Always maintain control of the tools being used to prevent accidents.
4. **PostUse:**
 - After completing your work, remove any tools and materials from the bench block.
 - Clean the bench block with a dry cloth to remove dust and debris.
 - Store the bench block in a safe and dry location when not in use.

Disposal Instructions

- When the bench block reaches the end of its life cycle, dispose of it in accordance with local regulations for metal waste.
- Ensure that all components are disposed of responsibly to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's website or customer service resources.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the Lee Precision Steel Bench Block.
