# Safety Instruction Guide for CARBIDE SIZER DIES LEE PRECISION 38 SPECIAL/357 MAG FULL LENGTH SIZING DIE CARBIDE

## Introduction

Thank you for choosing the Lee Carbide Full Length Sizing Die for your reloading needs. This product is designed for use with straight wall cartridges, specifically the 357 Magnum. To ensure your safety and the proper functioning of the product, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always handle reloading equipment with care and attention.
- Ensure that all components are in good condition before use.
- Keep the workspace clean and organized to prevent accidents.
- Use protective eyewear when operating reloading equipment.
- Store the product in a safe place, out of reach of children and pets.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- **Hazard Identification:** Avoid contact with sharp edges of the die that could cause cuts. Be cautious of any debris or powder that may be present during the reloading process.
- **Avoiding Hazards:** Do not force the die into the press; ensure it is properly aligned. Never use the die with wet or oily hands. Keep the die away from heat sources to prevent damage.
- **Audience Specific Warnings:** This product is intended for adult use only. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the carbide sizing die into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during use.

### 2. Usage:

- Prepare your cartridge cases by ensuring they are clean and free of debris.
- Insert a cartridge case into the die, ensuring it is seated properly.
- Operate the press smoothly and steadily to resize the case.
- Inspect the resized case for any signs of damage or defects before proceeding to the next step in your reloading process.

## Disposal Instructions

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Ensure that all materials are disposed of in a safe manner to prevent environmental contamination.

## Contact Information for Further Support

For any safety inquiries or support regarding the Lee Carbide Full Length Sizing Die, please refer to the product

packaging or visit the manufacturer's website for contact details.

By following these guidelines, you can ensure a safe and effective reloading experience with your Lee Carbide Sizer Dies. Thank you for your attention to safety!
