Safety Instruction Guide for RIFLE 2 DIE SETS LEE PRECISION 6.5 JAP PACESETTER FULL LENGTH SIZING 2DIE SET

Introduction

Thank you for purchasing the RIFLE 2 DIE SETS LEE PRECISION 6.5 JAP PACESETTER FULL LENGTH SIZING 2DIE SET. This product is designed for reloading ammunition safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that you are using the product in accordance with the manufacturer's instructions.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly check for any updates or recalls related to this product through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Ensure you are using the product in a wellventilated area to avoid inhalation of any dust or particles.
- Use protective gear such as gloves and safety glasses while handling reloading equipment and materials.

Specific Safety Precautions for Use

- Always inspect the dies and other components for damage before use.
- Ensure that the reloading press is stable and securely mounted before using the dies.
- Do not exceed the recommended load data provided with the product.
- Keep all components, including powder and primers, stored safely and securely when not in use.
- Be aware of the potential hazards associated with handling ammunition components, including lead exposure.
- Avoid distractions while reloading to maintain focus and prevent accidents.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Begin by thoroughly cleaning the reloading press and workspace.
- Attach the Full Length Sizing Die to the reloading press according to the manufacturer's instructions.
- Secure the Bullet Seating Die in the same manner, ensuring it is properly aligned.

2. Usage of the Die Set:

- Follow the load data provided with the die set for accurate measurements.
- Use the Universal Shell Holder to securely hold the cartridge case during the resizing and seating processes.
- Carefully pour the appropriate amount of powder using the Powder Dipper, ensuring not to exceed the recommended amount.
- Seat the bullet using the Bullet Seating Die, monitoring the depth to ensure it meets specifications.
- After use, disassemble the dies and clean them to prevent residue buildup.

3. PostUsage Safety:

- Store all components in a cool, dry place away from direct sunlight.
- Dispose of any unused or excess materials according to local regulations regarding hazardous

waste.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local waste management regulations.
- Do not dispose of ammunition components in regular household waste.
- Contact local authorities for guidance on the proper disposal of hazardous materials related to reloading.

Contact Information for Further Support

For any questions or concerns about the RIFLE 2 DIE SETS LEE PRECISION 6.5 JAP PACESETTER FULL LENGTH SIZING 2DIE SET, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety and compliance with the EU GPSR.
