Safety Instruction Guide for RIFLE 2 DIE SETS LEE PRECISION 6.5 CARCANO PACESETTER FULL LENGTH SIZING 2DIE SET

Introduction

Thank you for choosing the RIFLE 2 DIE SETS LEE PRECISION 6.5 CARCANO PACESETTER FULL LENGTH SIZING 2DIE SET. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before use.

General Safety Guidelines

- Always handle the die set with care and follow all instructions.
- Ensure that you are familiar with the operation of reloading equipment before use.
- Store the die set in a dry, safe place away from children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Use the die set only for its intended purpose: reloading ammunition for the 6.5 x 52 mm Mannlicher Carcano cartridge.
- Keep work areas clean and organized to prevent accidents.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses, while using the die set.
- Avoid loose clothing and jewelry that may get caught in machinery.
- Do not use the die set if you are tired or under the influence of drugs or alcohol.
- Ensure that your work area is wellventilated to minimize exposure to fumes from reloading materials.
- Be aware of the potential hazards associated with reloading, including the handling of gunpowder and primers.
- Follow local laws and regulations regarding the reloading of ammunition.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials before starting.
- Ensure that your work surface is stable and clear of clutter.

2. Installation of the Die Set

- Follow these steps to install the dies into your reloading press:
 - Remove the press from its power source.
 - Open the press and insert the Full Length Sizing Die into the appropriate die station.
 - Secure the die in place according to the manufacturer's instructions.
 - Insert the Bullet Seating Die into the next die station and secure it.

3. Reloading Process

- Follow these steps to reload ammunition safely:
 - Start by adjusting the Full Length Sizing Die according to the specifications for the 6.5 x 52 mm Mannlicher Carcano cartridge.
 - Place the brass case into the shell holder and operate the press to resize the case.
 - Remove the resized case and inspect it for any defects.

- Proceed to charge the case with powder using the Powder Dipper provided.
- Place the bullet on top of the charged case and use the Bullet Seating Die to seat the bullet to the desired depth.
- Inspect the finished cartridge for proper assembly.

4. PostUse Care

- Clean the die set after use to remove any residue.
- Store the die set in a protective case to prevent damage.

Disposal Instructions

- Dispose of any unused or damaged components according to local regulations.
- Do not dispose of gunpowder or primers in regular household waste.
- Contact local authorities for information on hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact details provided with the product packaging. Always ensure that you have the latest information regarding safety recalls and updates.

By following these safety instructions, you can help ensure a safe and enjoyable reloading experience with your RIFLE 2 DIE SETS LEE PRECISION 6.5 CARCANO PACESETTER FULL LENGTH SIZING 2DIE SET. Thank you for your attention to safety.
