

# LEE COLLET 2-DIE NECK SIZER SETS - LEE PRECISION 7.5X55MM SWISS COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

## Attributes

- Name: [LEE PRECISION 7.5X55MM SWISS COLLET 2-DIE NECK SIZER SET](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100053157
- Mfr. No.: 90186
- Cartridge: 7.5 x 55 mm Swiss
- Die Style: 2-Die Set
- Delivery weight: 0.408kg
- Shipping height: 36mm
- Shipping width: 84mm
- Shipping length: 116mm
- UPC: 734307901868

# Safety Instruction Guide for LEE COLLET 2DIE NECK SIZER SET

## Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET for your reloading needs. This guide provides essential safety instructions and general guidelines to ensure safe and effective use of the product. Please read this document carefully before use.

## General Safety Guidelines

To ensure your safety and the proper functioning of the LEE COLLET 2DIE NECK SIZER SET, please observe the following guidelines:

- Always follow the manufacturer's instructions when using this product.
- Ensure that you are familiar with the reloading process and safety practices.
- Keep the workspace clean and organized to prevent accidents.
- Store the dies in a safe location, out of reach of children and pets.
- Use protective eyewear when reloading to protect against potential hazards.

## Specific Safety Precautions for Use

When using the LEE COLLET 2DIE NECK SIZER SET, please take note of the following precautions:

- Only use the dies with cases that have been fired in your specific firearm.
- Do not attempt to resize cases that have not been fired, as this can lead to dangerous situations.
- Avoid using the dies with autoloaders, slide, or lever action guns.
- Ensure that the collet is properly adjusted to avoid damaging the case neck.
- Use caution when handling reloading components and ammunition.
- Always check for proper fit and function before proceeding with reloading.

## Instructions for Installation and Usage

Follow these steps for the proper installation and use of the LEE COLLET 2DIE NECK SIZER SET:

### 1. Setup:

- Securely mount the reloading press on a stable work surface.
- Ensure that all tools and components are within reach.

### 2. Installation of Dies:

- Insert the collet die into the press and tighten it securely.
- Adjust the die to the appropriate height according to the manufacturer's specifications.

### 3. Reloading Process:

- Begin by inspecting the cases for damage or defects.
- Place a fired case into the die and lower the ram to size the neck.
- Repeat the process for each case, ensuring consistent sizing.

### 4. Bullet Seating:

- Use the dead length bullet seater included in the set for optimal accuracy.

- Adjust the seater to achieve the desired bullet depth, ensuring it touches the rifling for maximum accuracy.

#### **5. Final Inspection:**

- Inspect each completed round for proper fit and function before use.
- Store reloaded ammunition in a safe and organized manner.

## **Disposal Instructions**

Proper disposal of reloading components and materials is important for safety and environmental protection. Please follow these guidelines:

- Dispose of any damaged or unusable cases in accordance with local regulations.
- Recycle metal cases if possible, following your local recycling guidelines.
- Do not dispose of reloading materials in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the LEE COLLET 2DIE NECK SIZER SET, please refer to the manufacturer's contact information provided with the product.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure safe and effective use of the LEE COLLET 2DIE NECK SIZER SET. Always prioritize safety and adhere to best practices during the reloading process. Thank you for choosing our product, and happy reloading!
