

# LEE COLLET 2-DIE NECK SIZER SETS - LEE PRECISION 223 REM COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

## Attributes

- Name: [LEE PRECISION 223 REM COLLET 2-DIE NECK SIZER SET](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100053163
- Mfr. No.: 90707

# Safety Instruction Guide for LEE COLLET 2DIE NECK SIZER SET

## Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET. This product is designed to help you achieve maximum accuracy in reloading ammunition. It is essential to follow safety instructions to ensure safe and effective use. This guide provides important safety information, usage instructions, and disposal guidelines to help you use this product safely.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your reloading equipment before using this product.
- Only use this product with cases that have been fired in your specific firearm.
- This product is not recommended for use with autoloaders, slide, or lever action guns.
- Store this product in a safe place, out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses, when reloading ammunition.
- Regularly inspect your reloading equipment for any signs of wear or damage.

## Specific Safety Precautions for Use

- Avoid using excessive force when sizing cases to prevent damage to the dies or cases.
- Keep fingers and hands clear of moving parts during operation.
- Use only the recommended cartridge type (223 Remington) with this die set.
- Ensure that the work area is clean and free of debris that could interfere with the reloading process.
- Do not exceed the maximum load data provided by reliable sources when reloading ammunition.
- Be aware of the potential hazards associated with handling gunpowder and primers. Follow all safety guidelines provided by the manufacturers of these components.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure your reloading press is securely mounted on a stable work surface.
- Gather all necessary tools and materials, including the LEE COLLET 2DIE NECK SIZER SET, cases, and bullets.

### 2. Installation:

- Install the sizing die into the reloading press according to the manufacturer's instructions.
- Set the die to the appropriate height to ensure proper sizing of the case neck.

### 3. Reloading Process:

- Insert a fired case into the shell holder and position it under the sizing die.
- Pull the handle of the press to lower the die onto the case neck, squeezing it against the precision mandrel.
- Remove the sized case and inspect it for any irregularities.
- Repeat the process for all cases you wish to reload.

### 4. Seating the Bullet:

- Use the included dead length bullet seater to seat the bullet to the desired depth.

- Ensure that the bullet is seated straight and is in contact with the rifling for optimal accuracy.

#### **5. Final Inspection:**

- After reloading, inspect each cartridge for proper seating and overall quality.
- Store reloaded ammunition in a safe and organized manner.

## **Disposal Instructions**

- Dispose of any damaged or unusable cases and components according to local regulations.
- Do not throw away used gunpowder or primers in regular trash. Follow local hazardous waste disposal guidelines.
- Keep all packaging materials out of reach of children and dispose of them responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the LEE COLLET 2DIE NECK SIZER SET, please consult the product documentation or reach out to the retailer from whom you purchased the product.

Thank you for prioritizing safety while using the LEE COLLET 2DIE NECK SIZER SET. Enjoy your reloading experience responsibly!
