

# LEE COLLET 2-DIE NECK SIZER SETS - LEE PRECISION 25-06 REM COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

## Attributes

- Name: [LEE PRECISION 25-06 REM COLLET 2-DIE NECK SIZER SET](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100053167
- Mfr. No.: 90711

# Safety Instruction Guide for LEE COLLET 2DIE NECK SIZER SET

## Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET. This guide is designed to ensure the safe and effective use of your reloading equipment. Please read this document carefully before using the product to ensure a safe reloading experience.

## General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and gloves, when reloading ammunition.
- Keep the reloading area clean and organized to prevent accidents.
- Store all components, including dies and ammunition, in a secure location away from children and unauthorized users.
- Only use the dies with cases that have been fired in your specific firearm to maintain safety and accuracy.
- Follow all local laws and regulations regarding ammunition reloading and storage.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Handling of reloading equipment poses risks of injury if not used correctly.
- Improper use of dies may result in ammunition that does not fit or function correctly in your firearm.

### • Avoiding Hazards:

- Always ensure that the reloading press is securely mounted before use.
- Do not exceed the recommended load specifications for your ammunition.
- Inspect all cases for damage before resizing; do not use damaged cases.
- Ensure that the collet die is properly adjusted to prevent excessive neck tension on the cases.

### • AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18. Ensure that minors are supervised by an adult when handling reloading equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is clean and free from obstructions.
- Attach the LEE COLLET 2DIE NECK SIZER SET to the press according to the manufacturer's instructions.
- Adjust the die settings according to your specific needs for the 2506 Remington cartridge.

### 2. Usage:

- Begin by inspecting your fired cases for cleanliness and damage.
- Place the case in the shell holder and raise the ram to engage the die.
- Gently lower the ram to resize the neck of the case. Avoid excessive force.

- After resizing, remove the case and inspect it for proper fit and finish.
- Repeat the process for all cases you intend to reload.

## **Disposal Instructions**

- Dispose of any damaged or unusable cases in accordance with local regulations.
- Do not dispose of used reloading components in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the LEE COLLET 2DIE NECK SIZER SET, please refer to the manufacturer's support resources or consult your local firearms expert.

This safety instruction guide is provided to ensure that you can safely and effectively use your LEE COLLET 2DIE NECK SIZER SET. Always prioritize safety and follow best practices for reloading ammunition. Thank you for your attention to these important guidelines.
